

Yourtutor service launched at Taree High School

The Future Moves team at Charles Sturt University has been working with our school since Term 4 2014 on activities designed to help students build aspiration for tertiary study and then help them achieve these aspirations.

As part of this program, Future Moves is providing our students with access to Yourtutor for the remainder of 2015 as part of a pilot study.

Yourtutor is a live, one-to-one, on-demand online homework and study service. The moment your child has a question—English, essay writing, maths, science, and more – there is a real-life, expert Australian tutor online, ready to help, 3pm – 10pm Sunday through Friday.

Who are the real-life, online staff? The online tutors are all teachers or university experts, located across the country. The online staff must go through all necessary checks and a stringent application and training process, to make sure only the best are allowed in the network.

What does this mean for families?

- Less stress during 'homework time' in your household
- The chance for every child to build up confidence, interest, and performance in subject areas
- Extremely ethical guidance, a 'no answers' policy, students are trained to think for themselves

We will be rolling out the Yourtutor service to students over the coming weeks and encourage parents and students to take advantage of Yourtutor.

I do not wish for my child _____ of year _____ to be involved in **Yourtutor**.
