ANZAC PARADE 2013

CAPTAIN BOWMAN'S TERM TWO THOUGHTS..

It's Term Two already and we're already half way through the SRC year. For Year 12, the wait is almost over - only 15 weeks left! Yet so much more is still to come. Between the eagerly anticipated Spirit Day, the seemingly endless assessments, as well as socials, inspirational quotation signs, food drives plus many other initiatives, life at Taree High School always keeps the SRC and our committed students busy. The SRC has been working hard, sacrificing many beloved lunches to organise Spirit Day 2013. Held on the last day of term, Spirit Day promotes positive school spirit amongst all students and teachers, strengthening relationships in a fun and active environment. This year's event will feature many old favourites as well as new activities - including a yet to be announced surprise event! Quench your curiosity, have fun with your friends and come along in your brightest and most outrageous house colours yet! In the next few weeks, Bec and I will have the privilege

of enjoying an enlightening afternoon tea with the Governor of NSW Her Excellence Marie Bashir AC, CVO on May 30 at Government House in Sydney. This will be an experience we're both extremely excited about. For Year 11 and 12 students, the combined high school senior social preparations are well underway! Year 12 preferences for a yearbook will be gratefully accepted by Bec, the ever lovely Mrs Salmon or me. On behalf of Bec, Hannah, Jack and I as leaders of your SRC, I hope you all continue to enjoy Term Two.

Andrew Bowman

RESPECTING THE PAST. EMBRACING THE FUTURE.

Welcome to the new format for the Newsletter. It is certainly a crisp and some may say, a more “user-friendly” template. It is in fact part of our “re-badging” of communications for Taree High School. The journey began with principal, Peter Bird in early 2012, where a new mission statement was being developed. We decided to keep this vision going and have now, with the assistance of a graphic designer, developed a new corporate image. Our mission statement is Respecting the Past. Embracing the Future. This encapsulates the proud history of Taree High School, whilst looking forward to opportunities for all students and their families. You will notice the new logo, which you will see on the majority of correspondence sent home. We are retaining the THS “badge” as a very important part of our past and it will appear in a variety of contexts.

Thanks go to the School Promotion Team led by Gary Curtis, Mel Walker and Kim Gurr from the SRC and Linda Bates from the SASS staff, for their hard work in bringing this journey to fruition.

Feedback from parents is very important to us, so any comments or suggestions are welcome. Please feel free to contact the school.

Peter Bird remains in rehabilitation, but is making some very positive steps towards returning home. On the visits I have with him, he is very excited and proud of the achievements of the students of the school.

Allison Alliston - Relieving Principal

FROM FOLLOWER TO LEADER!

As one of fifty girls across Australia I was selected to attend the UBS Young Women’s Leadership Academy held at Sydney University (in the Women’s College) for the first week of the previous school holiday. Throughout the week we were privileged to have guest speakers such as Wendy McCarthy, Caroline Gumsy and Nicola Parry who conducted seminars, lectures, activities and workshops based around building leadership skills. We stayed with the students of the college on campus and even got to see a college netball game! We experienced a dinner with ‘high power’ workers from UBS banking and learnt of their experiences in the work force and how they came to be in their position. The week was busy, exciting, fun and absolutely inspiring! I have taken so much from a short few days and met wonderful people along the way. I feel honoured to have been selected for the programme by the school and the college and hope that a student from Taree High will be able to attend every year from here on in.

Amani Jensen-Bentley - Yr 11

Our appreciation to the Year 10 volunteers for the Peer Literacy tutoring programs 2013 - a TAFE/THS initiative.

Chloe Arens, Angela Bartz, Kaitlin Brown, Zac Calvin, Kurt Davidson, Emily Gray, Katie Hall, Max Heaslip, Georgia King, Ami-lee Kinnear, Georgia McCarthy, Chloe Mentges, Alana Searles, Jared Thompson, Matthew Triance, Jasmin Williams

AN ANZAC HAIRCUT FOR MS WALKER'S ROSEMARY GARDEN

Rosemary is a symbol of remembrance. Remembrance is paramount in honouring our service men and women, past and present. On the second Thursday April 25 of the Easter holidays, in excess of 70 Taree High SRC students and their peers assembled outside Stacks in Victoria St. Their intention? To march in the annual ANZAC Day parade and attend the service in Fotheringham Park of course! Beautiful uniform was worn proudly. Quiet and respectful attention was shown by all who attended – even when an ear-splitting Williamtown jet fighter zoomed epically close overhead!

UP, UP AND AWAY!

As part of the prep system, Seniors attended a series of lectures by Elevate. We were able to fly a lecturer from the Sydney company to deliver the latest on what works if you want to achieve. The emphasis was on individuals rather than subjects. Achieving goals is not always about university entrance. Leaving school with the best possible result and the best possible reference, will give students the best possible chance to secure the future they want. Luckily for all the hip pockets, the cost was heavily sponsored by Taree High. The written feedback showed that 100% of the attending students thought it was worth every cent.

The best part of the day was the young “dynamo” presenter. The four hours flew by but our presenter, Sophie, still had energy to burn. We were all exhausted.

Mrs Hutchinson and Mrs Gowman

WHAT IS ART?

Mr Curtis's Year Eleven art class attended their annual excursion to the beach to create works inspired by Andy Goldsworthy and be stimulated by the beauty of nature! We spent the day at Saltwater creating pieces of art from sticks, stones, sand, shells, leaves and natural patterns. Mr Curtis cooked a nice BBQ for lunch and besides a few sprinkles of rain the weather held out and was nice and sunny. It was a wonderful day full of art - creating, sketching, photographing and relaxing. I'm sure we all came away feeling inspired by the beauty of the natural world.

Amani Jensen-Bentley – Yr 11

OUTSIDE THE BOX - SENIOR PREP

Any way you look at it, Senior School is a very complicated and demanding experience.

Now that all students move to Senior School, timetables and courses are becoming intricate and highly individual. Negotiating your way from Year 10 to Senior School does not come naturally. Senior School is a different planet.

This year we have established a way to help all students negotiate the demands and complexities of Senior School by introducing "Prep" classes. Once a week all students have an hour to work with two teachers on assessments, time management, academic calendars, organisation skills and general help with anything and everything.

Prep is student driven. Whatever students need to keep up and do well – that's what we do.

Senior students are given extra privileges. They have their own computer bank, stationery, general supplies and their own printer. They have their own school gate. The prep room is well stocked with coffee, tea, Milo and hot chocolate. The early birds even get raisin toast to start the day.

Like all changes, the new system had most students worried but their survey at the beginning of this term showed a resounding support for the prep system. Most said that they would like to see an extension of the system. They would prefer to have different rooms and separate timetables for Year 11 and Year 12 so that the space could be more accessible during the day.

**Mrs Hutchinson and
Mrs Gowman**

MANNING YOUTH STEP UP!

The Manning Youth Action Team is a group of young people who are excited to make things happen within our community. Coordinated by Jane Lynch, our group runs events such as Live n' Loud, outdoor movie nights, the Big Buzz day out and many other awesome events!

As part of Youth Week the Manning Youth Action Team selected two representatives within the group, Kaitlin Brown and I, to participate in a youth forum held at Sydney Parliament House regarding issues that relate to the youth of today. We gained a lot of information on the day from some inspiring guest speakers and met many great people from all over NSW.

For information regarding upcoming events head to our Facebook page "Manning Youth" or feel free to contact Greater Taree City Council.

Jake Davey – Yr 11

BRAVO IN B-BLOCK!

In the Special Ed Faculty, each time a student shows respect for staff or peers, acts in a safe manner, co-operates with others in the class, is actively engaged in learning and displays a responsible attitude, he/she receives a Bravo Award. The individual awards go into a box and each week, a name is drawn out to win a prize. Each week the student with the most awards wins another prize. The random award for Week 2 this term, was Samuel Coleman (Year 7). The student who won the most awards was Anthony James (Year 11).

There have been some simply amazing Spellodrome and Mathletics results from Chloe Noble (Year 8), Sophie Powick (Year 9), Jacob Marchant and Cameron Vine

(Year 10), Anthony James (Year 11) and Jess Barnes and Cody Roberts (Year 12). It creates a buzz in the room to listen to students comparing answers and points gained. I would challenge anyone in Year 8 to beat Chloe Noble down. She is simply amazing! Any student in Taree High can access the programs. Come to B25 staffroom for an educational ride to success.

The ACMF (Australian Children's Music Foundation) program is still going extremely well, with commendations on its success at a state level. Special Ed students have been participating in this program for the second year running, with a major presentation concert to be held later in the year at the Manning Entertainment Centre.

Some other exciting programs that the students may be participating in

include Riding for the Disabled and swimming lessons running through the YMCA at the Aquatic Centre. There will be a small number of students in these activities, mainly due to constraints of time and costs, but the benefits to students will be enormous.

Mrs Diana Silcock

A GREAT FUND RAISER FOR THE LEUKAEMIA FOUNDATION!

On Friday the 15th of March Taree high School students and teachers banded together to raise much needed money for the Leukaemia Foundation. This valuable charity provides support for patients and families living with this form of cancer. Each student who dressed 'out of uniform' donated a gold coin to this wonderful charity. As well as this, the SRC ran a cake stall to raise funds for Spirit Day; an event which boost student teacher morale and promotes school pride. \$783.80 was raised for the Leukaemia Foundation and \$352.85 was raised for the funding of Spirit Day. Overall, the day was a huge success about the Leukaemia Foundation, see the link below.

<http://www.leukaemia.org.au>

Patrick Abraham

YOUTHROCK GRAND FINAL!

On 13th April, Taree High band ElevenEleven travelled to Sutherland Entertainment Centre in Sydney to compete in the YouthRock 2013 finals. ElevenEleven consists of Kaitlin Brown, Otto Falson-Ree, Tristan Chapman, and I, Harry Brown. YouthRock is an event held as a part of YouthWeek celebrations, which sees bands from NSW come and play, with the chance of winning big prizes and getting noticed by industry professionals. ElevenEleven passed the auditions. The next stage was a Semi-final heat, which saw the band come first, gaining an immense reaction from the crowd. This meant that ElevenEleven had done what no Taree band had done before, make it into the YouthRock Grand Final. We placed unordered from 5th to 9th in the Grand Final, and won recording time at the prestigious Zen Studios in Sydney. The overall experience for the band was one we'll remember forever and we were proud to represent THS. A free EP will be released very soon.

Harry Brown - Yr 12

SHOW TEAM. IT'S 5.25AM. WAKE UP!

At 5:25am the alarm starts ringing. Jumping out of bed, we pull on boots and a big warm coat and drive to the Taree High Ag plot in the space of about 10 minutes. This is just the start of a very productive Saturday for the Taree High Agriculture Show Team.

Our Team has had an injection of new members from the younger years. It is great knowing that Taree High will continue to show interest in agriculture and the amount of fun that can be had. We have gained a wider field of knowledge, understanding, cooperation and handling techniques and have recently had the opportunity to work with new breeds of cattle. This has helped our team become more productive. We have three new additions to our 'cow family' - Barry our Angus/Limousine calf and two Murray Grey calves, Pepper and Blade, from Crowdy Bay Murray Grey Stud.

Telisha Jane Ford – Yr 11

Rochelle Field – Yr 12

SPIRIT DAY IS COMING!

Taree High's annual Spirit Day is coming up! On Friday 28th June, the last day of term, normal lessons will be replaced with a day of activities aimed at building productive learning relationships between staff and students.

The day will be based on a rotational system where students move around in house groups and participate in a range of activities. These include a surprise activity, trivia and various challenges. The main focus of the day is to encourage students to cooperate and support others in 'having a go' whilst having FUN!

The day will run in some form, rain hail or shine. Students are expected to attend on the day and are encouraged to wear their sporting house colours.

These are:

Hooke – Green
Manning – Blue
Murray – Purple
Peel – Red

Semester One 7 – 10 Reports will be distributed at 3 pm.

Spirit for the Salvos

The Spirit Cup Food Drive will continue this term up to and including Spirit Day on 28th June. For every in-date, non-perishable food item students give at A15, they will earn a point for their House. All food donated will be given to our local Salvation Army shop which provides a wonderful service by supporting local families in need every winter.

Spirit for Planet Earth

To promote environmental spirit, any old mobile phones donated at A15 will also earn students a House point. These phones will be recycled to sustain our planet for our children, their children and future generations.

VAMPIRES BECOME CHALLENGERS

Taree High has a proud history of supporting and winning the annual vampire shield competition which supports our local blood bank in saving lives. This competition has been re-branded as the inter-school 2013 youth donor challenge.

In general, you will be able to give blood if you:

- Are 16 years or older
- Weigh more than 50 kilograms
- Are in good health (e.g. No coughs, cold or flu)
- Have not had a tattoo in the last six months
- Have not been in the UK for a total of six months or more between 1980 and 1996
- Have good iron levels

Some people are nervous about donating in case it hurts but after a brief sting all you should feel is a gentle pressure - never pain.

Willing donors should see our blood ambassadors Amani Jensen-Bentley and Holly Pole-Cini (Yr 11), Ms Walker or Miss Gurr (A33) to collect a permission note.

STUDENT ACHIEVEMENTS

Congratulations To:

KNIGHTS KNOCKOUT: NEWCASTLE HERE WE COME!

On Wednesday 23rd May the Under 14s boys travelled to Forster to compete against teams from all over the region. Taree High ended up winning the day. Beating St Clares 8-6 in our first game was a good win then beating Chatham 30-0 was an easy win for us. Most of our players succeeded in scoring tries. Another easy win came against Wingham. But the game that really matter was against the Great Lakes team - our last game - and the win didn't come easily. This game brought out our real talent, winning 16-4 with some of our best players scoring tries, and saving tries in defences. The great coaching from Mr May and Mr Weeks and the support of our injured players was motivating!

Matt Croker – Yr 8

CROSS COUNTRY!

Our School Cross Country Age Champions were Riley Burton and Lainey Elford, (12 years) Jett Hatton and Portia Rennie, (13 years) Lucas Mephram and Willow Mackay, (14 years) Lachlan Nesbitt and Gabbie Aarons-Burton, (15 years) Miles Thornton and I (16 years) Alex Eden, (17 years) We were off to Zone Cross Country, a gruelling place where nerves run high. We all ran as if our lives were at stake; many of us qualified for regional! All qualifiers had to place in the top 6 of their respective age groups to progress on to regional, so big congratulations to everyone who qualified. It was only last Friday that Regional Cross Country took place. Everybody ran extremely well; an especially big congratulations to Portia Rennie who came first in her event! Time to knuckle down and train hard for State Cross Country
Lily Minihan – Year 10

17+ Alex Eden		

RUNNIN', JUMPIN', CHUCKIN'!

On a hot and steamy 11th April the school headed out to the rec ground to discover our newest upcoming athletes or cheer on our established ones. Most of us hunted for shade but our fittest and most determined competitors continued to compete in the sweltering weather. We were all blown away with the fabulous 'fashions on the field' outfits!

The SRC ran tug 'o' war, sack races and an Easter egg hunt to keep everyone occupied whilst waiting for their next throwing event. Thank you to Mrs Phillips for personally donating the Easter eggs for this very popular hunt! Thank you Year Twelve, Mrs Salmon and Mr May for supplying us with lovely food and cold refreshments - and all the ice!

Congratulations to Peel for taking out first place once again. Good work to all the other teams. Many thanks to the THS staff (especially Mrs Phillips and PD/H/PE) who helped make this day a great success.

Evelyn Foxwell – Year 10

TAREE HIGH TENNIS CHAMPS...

The THS Tennis Championships were held on the 26th of March with a competitive group of players competing for the Junior and Senior, Boys and Girls titles. The competition was a round robin format with the champion being decided based on the total number of games won. The Junior Boys' competition was particularly close with the winner being decided by a count back. The sportsmanship and attitude of all the players was outstanding and everyone should be acknowledged for that. Congratulations also must go to the following players:

Junior Boys	Junior Girls
Champion: Henry Woods Runner Up: Max Le Messurier	Champion: Sarah Smith Runner Up: Nimasha Weththasinghe
Senior Boys	Senior Girls
Champion: Patrick Abraham Runner Up: Michael Yarnold	Champion: Ellise Bowerman Runner Up: Rebecca Deer

BASKETBALL BOMBSHELLS AND BANDITS

During Term 1 the Boys and Girls Open Basketball teams competed in the CHS Knockout. The girls' team consisted of Jessica Bergantin, Georgia King, Bianca Litjens, Georgia McCarthy and Laura Neale. The Boys' squad comprised of James Corben, Brandon Betts, John Cook, David McLeish, Troy Knutson, Jack Nicholson, Jack Paine, Jared Thompson, Jacob Straub and Jordan Nowlan. Their first opponents were Wingham High School. With the support of the home crowd down in the gym, the boys got off to a good start. James Corben and Troy Knutson kept the momentum going with some strong rebounding and shot making. With a solid team

effort, the boys were victorious. Both Boy's and Girl's teams then had to travel to Maitland for the Hunter Finals. The boys played Lambton High School and began the game with confidence. They played strongly and kept pace with their opponents with a good team effort and contributions from the whole squad. Eventually the skill and defensive pressure from the Lambton squad got the better of them. Although they were knocked out of the competition, the boys then played Scone High School. Once again the boys played with great sportsmanship and team work but unfortunately were on the wrong end of the scoreboard in a closely contested game. The girls played a 'friendly' warm up game against Newcastle High

School due to some forfeited matches. They then played Lambton High School in their final 8 knock out game and found the going tough. With a number of Newcastle representative players in their team, the girls from Lambton were a very well drilled squad. The girls showed class and teamwork with some good movement around the court but found it difficult getting the ball in the basket with the defensive pressure of the opposition. They eventually went down with a well spirited effort. Congratulations to both teams on their achievements this year. Thanks to Nick Croker and Chris Small for assisting with the games and also to the parents that assisted with transport and support throughout the competition.

GREAT GAME OF TOUCH..fantastic effort

A group of talented enthusiastic girls competed in the 9/10 All Schools State Touch Championships on Thursday 11th March. Our first game was against St Joseph's Regional High School where our girls displayed a good level of skill and speed and came away with a 4-3 win. Our second game was against Chatham High School and once again the girls worked together to come away with a 5-3 win. Our third game was against Wingham. The Wingham girls worked very well together and unfortunately the Taree girls had a 5-3 loss. Going into the semi-finals the Taree High girls were placed 3rd out of 8 in the competition. Our semi-final game was against St Pauls and all the Taree High girls played an excellent game. It was a fantastic effort and after full time it was a 2 all draw. We then went into a 'drop off' where it was 3 players a side before St Pauls managed to dive across the line. The 9/10 Taree High girls Touch Team played four commendable games. It was a pleasure to coach

the girls as they represented Taree High School with a high level of sportsmanship and pride. Team Names: Gabrielle Aarons-Burton, Abbey Stephen-Nelson, Chloe Clark, Bianca Litjens, Emily Cocksedge, Jasmine Moscott, Lily Minihan, Isabella Murry, Tamara Love and Danielle Jeffery.

Jamie Harris

15's HUNTER TRIALS: BEARDS, MOUSTACHES AND LEG TATTOOS

Beards, moustaches and leg tattoos are things you would think old grown men would wear, but no, Under 15 Rugby League boys also like this look.

Earlier this year Isaac Worboys and I went down to Salamander Bay to try out for the Under 15s Hunter Rugby League team. Unfortunately, neither of us made the team but we had fun trying out, with Isaac playing in the forwards trying to break the defensive line and tackling the large opposition and succeeding at the same time. I was out in the centres trying to get outside of the opposition and score tries out wide. I was successful in one try, set up by Isaac. This put us in the lead for one of our games. Isaac didn't score a try but went very close. In the end, 3 players of the Manning team made the final Hunter team.

Matt Croker – Yr 8

ROCK THE SCHOOLS

Sound desks, speakers, lights? You name it. Anything that had to do with preparing for a professional band? We learnt it. Students were interactive with the band crew and were eager to get involved themselves. The band manager gave us insight into what career paths SAE institute can offer and handy tips for students who were already members of bands. "Bad Pony" performed at lunch break and then participated in some Q&A with the students. 'Rock the Schools' certainly rocked Taree High!

Rebecca Turra – Year 11

CANTEEN NEWS - MEXICAN MELTS \$4.00.

They have spicy mince, melted cheese wrapped in a tortilla heated in foil. Yum!
New large soup cups with lids to hold your soup. These are a lot safer and keep soup warmer.
Bread increase coming due to massive price rise.

THANK YOU TO ALL SRC STUDENTS FOR HELPING IN THE CANTEEN.
