## BRAVISSIMO

With great excitement and euphoria, off set a merry band of the Shared Curriculum Entertainment class, to go see the great wizard of drums, Otto Falson-Ree. After receiving a Band 6 result in his HSC, Otto was selected to perform in the prestigious concert, ‘Bravissimo’. Along side his trusty group of rogues (Eleven Eleven + Sampson Hillyard), they performed the song Always by Blink 182.

’Twas a good day.

## ‘EXPRESSO YOURSELF’

On Tuesday February 17th, Year 12 Hospitality ran a pop-up café to raise money for new equipment for our cooking room, and to also demonstrate our newly acquired barista skills. We raised over \$50 profit in just one morning. We will be holding more pop-up cafés this year and hope to add to our funds once more. Year 12 Hospitality would like to thank everyone who helped support us by purchasing our coffee and cookies, and we look forward to seeing you down in B7 for more treats again soon!

## THE NATIONAL YOUNG LEADERS DAY

Our new Captains Lily Minihan, Tom Fletcher, Emma-Joyce Croker and Nick Starr were among the emerging generation of leaders at The National Young Leaders Day at the Sydney Olympic Park Sports Centre on Friday, the 21st of November.

The event, which attracted 2,500 students along with their teachers and principals from schools across the state, is hosted by the Halogen Foundation whose mission is to inspire and influence young people to lead themselves and others well.

Keynote speakers who shared their story and leadership insights included CEO of CPA Australia Alex Malley and anti-bullying advocate Lucy Thomas. Students also engaged in conversation with a panel of social entrepreneurs who shared practical tips.

Each speaker and panelist brought their unique life experience to the platform as they shared encouraging lessons, instilling the message that despite circumstances, anyone can be a good leader and make a difference in the world around them.

“The focus of the event was on the significance of getting started,” says Director of the Halogen Foundation Mike Martin. “By asking a range of accomplished people what it takes to turn ideas into something real, students were able to obtain some invaluable insights on how they can start leading in their school and community.

“Good leadership can be a moving target for today’s young people, and it moves with all the speed of changes in technology and society as a whole. At Halogen, we value real examples of leaders who deliver positive outcomes for the people around them. It is these stories that have the power to deliver incredible learning for young people and what we strive to deliver each year,” he adds.

A mix of universities and local volunteer organisations, charities and career advisers were on hand as part of The Expo which took place alongside the program on the day providing students with a variety of ideas and insights to help their future development as leaders.

The National Young Leaders day event series for secondary students takes place annually across Australia, with more than 6,000 students participating.

## RED CROSS

On Tuesday February 10th the Australian Red Cross Blood Service held their annual Blood Ambassadors’ Day where all existing and new ambassadors were inducted into Red 25 for 2015. It was held at the Information Centre and was open to all ambassador students from the Manning Valley. The day was informative and inspirational, and encouraged us to become more active within our community. We were instructed about everything we need to do to achieve effective blood drives and donations. We are constantly seeking donors over the age of 16. Interested students and families should contact the school for more information.

## YEAR 7 CAMP

It was a busy three days for our Year 7 campers! Kids completed a range of activities including team challenges, zorb balls, flying foxes, and MUDWORLD. They finished their last night with a BBQ at Blackhead Beach. Thankyou to Mrs Stanfield, Mrs Lawrence, Mr Henson and Mr Dickson for being wonderful chaperones!

## SWIMMING CARNIVAL 2015

Congratulations to all of our age champions from our swimming carnival. You did a fantastic job and made us proud. Also a big congratulation to PEEL for winning the carnival. HOOKE came in 2nd , Murray was 3rd and Manning came in 4th.

It was the second day of school and the swimming carnival had kicked off. With a great turn out of kids and rays of sunshine beaming down upon us, it was destined to be a great event. With an outstanding Captains vs Teachers relay at the start of the morning (which the teachers won) the kids became more excited. The costumes were outstanding the belly flops sounded painful, but with all cheer and support from each house, the carnival was a perfect day for all students – especially for all of us in Year 12 as it was our last one.

## ZONE SWIMMING

On Tuesday 17th February the Taree High School swim team participated in the Zone Swimming Carnival at the YMCA Leisure Centre with other schools from the Manning area. It was a fun and exciting day for all athletes. There were some very close races that came down to the stopwatch to determine the winner. These were very nail biting for the competitors waiting for the results. Congratulations to all the Taree High students who participated and tried their very best. Three big cheers to Shyanna Wardrop & Brock Van Kampen who broke two more school records on the day due to those events not being swum at the school carnival. Stand out swimmers for the day were Emily Rainger, Hannah Hartup, Jordana Wardrop, Hannah Hartup, Claire Van Kampen, Harry Fisher, Jordan Smith, Lalani Cross and Brock Van Kampen.

Well done to all the relays that competed, but a special congratulation goes to our 14 years girls relay ( Shyanna Wardrop, Emily Rainger, Hannah Hartup and Claire Van Kampen ) for coming first. We wish you well for regionals.

In the knockout relay Taree High came second against Great Lakes and Wingham came in 3rd. Taree High School finished in 2nd position with Great Lakes Collage taking out the School Championship for 2015.

**NO MEDIA, JUST SOCIAL...**

On the balmy evening of Wednesday March 11th, we held our first social of 2015. The theme was 'Celebrities' and as usual, our students did not disappoint with their fancy dress. We met the Irwin family (including their alligator), Katy Perry came long, Abba reformed for a reunion tour, Fat Amy did some amazing horizontal running, and Lorde turned up with her dark locks and lips to match. The DJ gave us some truly rockin' tunes, the kids danced all night, and everyone seemed to have a wonderful time.

A request for future socials – if possible, can you leave bags at home? Our staff must do bag checks which is time consuming and creates a longer wait for ticket collection. If you don't need bag, please don't bring one. And remember it is a requirement that you present your student ID when you purchase your ticket AND upon entering the hall – this is for the safety of our students.

**GYMNASTICS**

On behalf of Gymnastics Australia I have great pleasure in confirming that the Taree PCYC Gyroos Gymnastics Performance Team will be a member of the Australian team in the 2015 World Gymnaestrada. It is an outstanding achievement for the members of the Taree PCYC Gyroos Gymnastics Performance Team to represent Australia at this unique event.

Congratulations to....
