

SCHOOL NEWS

Welcome to 2020 Term 2 Newsletter Word from our Principal

Semester 1 has finished and we all look back on the crazy year we have had so far, wondering when it will end. Coming off our worst fire season, to flooding to COVID-19. One thing I have learned about our community, our students, staff and parents is that we are indeed a resilient bunch. I thank you all again for your support, praise and positivity whilst being faced with continuous adversity. We have all learned a lot.

Many activities and excursions have unfortunately been cancelled, but have been done so with our students and staff's health and safety at the forefront of our thinking. We have allowed Spirit Day to happen on the 3rd July, as a reward to students and a nice way to end the term. The SRC were so enthusiastic to have this run, that it was difficult to say no. I am sure our THS spirit will shine through on the day and encourage all students to dress in their house colours and come along to participate.

Next term will hopefully see the return of our basketball courts and the completion of the maintenance/improvements works which have occurred over the past 7 months. The improvements to the school are certainly wonderful.

I would take this opportunity also to thank students for observing our new hand hygiene practices and following any changes to routine, such as split recesses and lunchtimes.

We have farewelled our Exchange Student Giorgia, who returns to Brazil. Giorgia was a very much loved member of Year 12 and always had a beaming smile on her face. She will be missed.

I wish you all a happy, safe and restful holiday break.

INFORMATION ON SCHOOL FEES

May 2020

Dear Parent/Guardian

Due to Covid 19 all 50 hour course fees for Semester 1 2020 have been cancelled. 100 hour (full year courses) have had the course fees adjusted as follows: Yr 12 to pay $\frac{1}{4}$ of total fee, Yr 11 to pay $\frac{1}{3}$ of total fee, Yr 10 to pay $\frac{1}{2}$ of total fee. If you have already paid fees for 2020 courses, these payments have been credited to your students account & will show as an unallocated credit on the Statement of Account.

You will be aware that Taree High School provides opportunities for students to study subjects with practical components that often require the use of special equipment and materials. The school seeks your support in contributing to the cost of these materials used and consumed by students studying the courses of their choice. These payments allow the school to provide additional benefits to students. Note that students may not be permitted to study a course if they have not paid the contributions required for courses studied previously in that subject area. For some courses the items that students have made cannot be taken home until these subject contributions have been paid. Any student who wishes to participate in a non compulsory excursion/camp will not be permitted to attend unless all subject contributions are paid or regular part payments are being made.

Should you have difficulty making these payments for subject materials, please contact the Principal.

The yearly general school contribution for 2020 has been set at \$40.00. The school welcomes your contribution as this will significantly enhance the resources made available to students. **If your statement has an unallocated credit showing this can be put towards your fees owing. Please phone the Office to arrange this.**

Payments can be made using the Parent Online Payments (POP) system by accessing the schools website www.taree-h.schools.nsw.edu.au. The 'Make a Payment' link can be found on the ribbon on the school's website. By selecting this link you will be taken to a secure Westpac payment page. Payments can still be made in person at the office using cash, cheque or EFTPOS, or a credit card payment over the phone.

If you have any concerns about the details of this letter please contact the Principal.

Thanking you in anticipation of your support.

EXCHANGE STUDENT GIORGIA MOTANGNANA

Today Wednesday 24th June, we said goodbye to our exchange student Georgia Montangana; she has been with us for a year and in that time she has embraced life at Taree High School with gusto. She has been an active member of the Year 12 fundraising committee. She was confident and outgoing, making the most of every opportunity Taree High gave her. Ms Alliston came to her farewell morning tea, organised by the year 12 cohort and presented her with the illustrious THS travel mug!! She will be flying back to Brazil on Sunday the 28th June.

We will miss her!!

We asked Georgia a few questions about her time in Australia and at THS before you left us.

Where are you from? Sao Paulo, Brazil

Can you tell us about your stay in Australia?

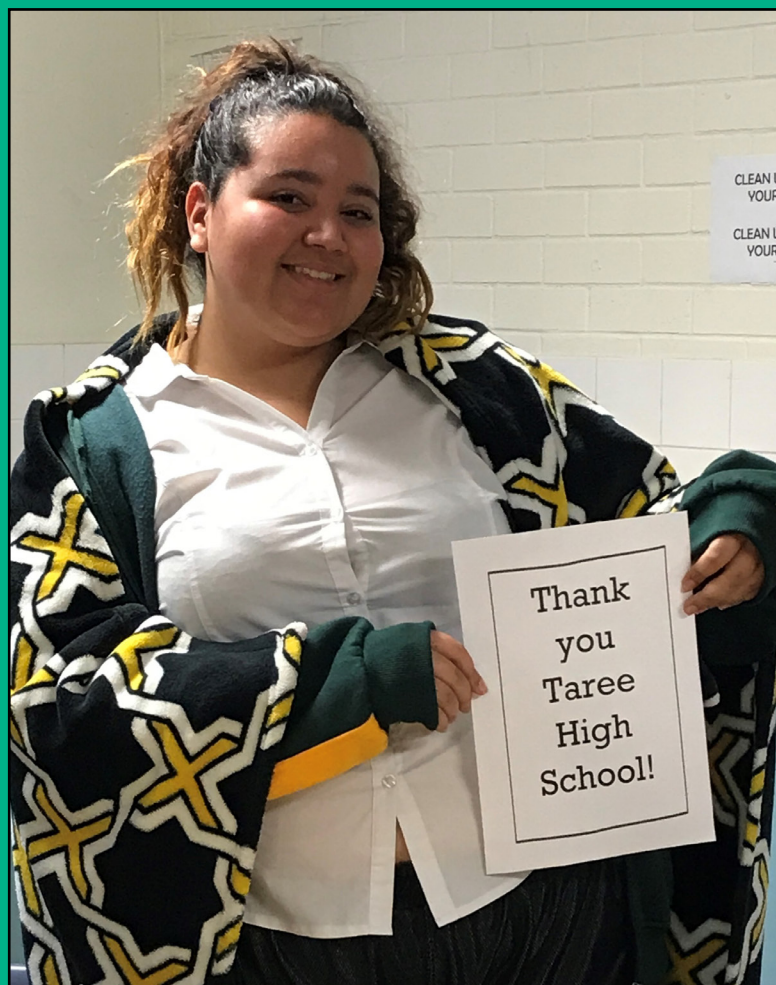

It was definitely the best decision I've ever made. Everything in Australia from the people to the sand at the beach is magical. I'd live it all over again.

What are you going to miss about our school?

The support and receptiveness in Taree High are the school's strongest characteristic for me. I've met great teachers and made friends I'll have in my heart forever!

What are you looking forward to when you return home?

To see my family and show them what a marvellous experience they provided for me and also the food!

GET TO KNOW OUR NEW PERMANENT STAFF

Kim Sullivan

Faculty : English

Previous School : Longreach School of Distance Education

Interests / Hobbies :

My family, walking my doggy, art, yoga, gardening, films

What do you enjoy most about your career?

Being able to travel and work in unique locations.

How are you finding working at Taree High School? I have felt very welcomed to the THS

community. Although there have been some challenging moments I am enjoying my work and getting to know the students and staff.

Brian Raglus

Faculty : TAS

Previous School :

Have been teaching since 1987 where took up a position in Canberra, then Gunnedah & Wauchope as full time positions.

Interests / Hobbies : Sport, Music, Beach plus building & designing projects.

What do you enjoy most about your career?

Helping students extend themselves to create their own work, especially at the HSC level, achieving things they didn't believe they could.

How are you finding working at Taree High School?

Some adjustments with being the biggest school I have worked at for a while. Interesting Year to kick off with, workshops flooring fixed, Covid impact - online classrooms, change of other staff in Faculty, getting to know other teachers, support staff & students - hope it calms down soon.

Looking forward to upgrading the Metal Work Room & creating options for the motivated students I have met so far.

Barton Johnston

Faculty : English

Previous School : Willyama High School, Broken Hill

Interests / Hobbies :

Reading, writing, guitar, surfing, skating and spending time with my family

What do you enjoy most about your career?

Seeing something new 'click' for students, when they find themselves able to solve problems that they thought were impossible.

How are you finding working at Taree High School?

It's great. Very supportive and welcoming, and I love being so close to the ocean again!

Kelsey Wilson - Exchange Teacher

Faculty : English

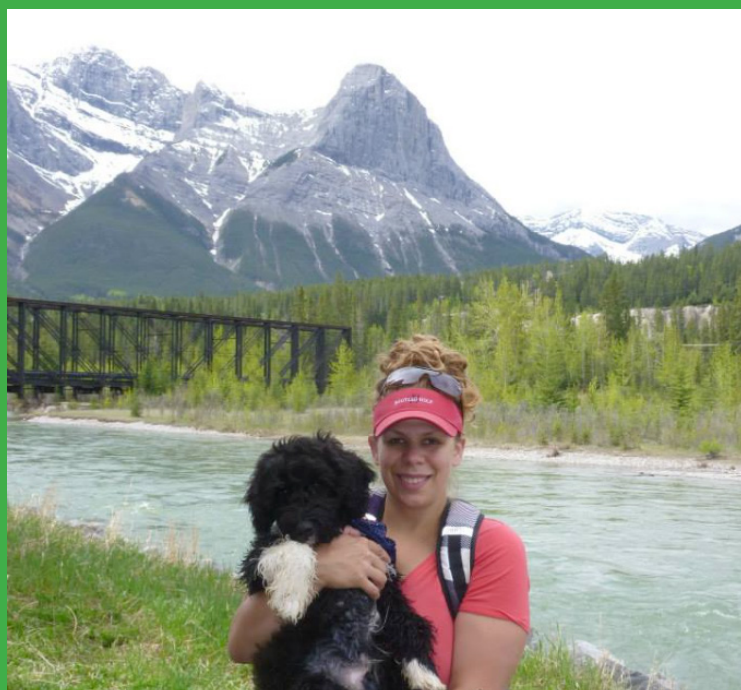

Previous School : H.J. Cody High School in Sylvan Lake, Alberta, Canada

Interests / Hobbies : Hockey (that's "ice hockey"), basketball, reading, writing, my dog, Dexter Puppy

What do you enjoy most about your career? I enjoy that every day is completely different than the last!

How are you finding working at Taree High School? : It is much different than Canada!

How do you find living in Old Bar compared to your own home town in Canada? I love the fact that I can walk to the beach, but I have never lived in a colder house! (The irony!).

Michelle Pellew

Faculty : CAPA

Previous School : Previously worked at Chatham High School for 14 years as a Visual Arts and Photography teacher.

Interests / Hobbies : Interests in my spare time are working on my own artworks when I get the chance. I love to work with watercolours. I also love to play my ukulele and learn new songs but I'm not very good but practice makes perfect! I love being outside in the fresh air and often spend my weekends at the beach and walking. Travelling is an important part of my life as well although it hasn't been able to happen lately! But soon things will in the world will change!

What do you enjoy most about your career?

The most rewarding thing about being a Visual Arts teacher is seeing students succeed and produce artworks that they never thought they were capable of. So many students say "I cant draw".. Art is so much more than drawing. I love to think outside the box and teach differently outside the box. Unlocking the imagination and creativity in students is essential. And when it happens...its a moment of "there you are!" And to see a smile of a student achieve is the best feeling. I love sharing my knowledge and helping students achieve their best.

How are you finding working at Taree High School?

I have absolutely enjoyed my time at Taree High School so far even though it has been a very disrupted year!!! The students and staff are lovely and supportive and the CAPA faculty is a fantastic faculty to work for

Heidi Speers

Faculty : TAS

Pervious School? Hastings Secondary College Westport Campus

Interests / Hobbies : Textiles, Arts, Cooking, strange & unusual things, Repurchasing/recycling, being me!

What do you enjoy most about your career? The students, The impact we can have on others & how we learn from each other.

How are you finding working at Taree High School? Great supportive staff and down to earth students

Basketball Court Upgrade

Here are some updated photos of our basketball courts. As you can see the top two photos are during demolition and the bottom four photos are what the courts currently look like. Hopefully the Courts will be completed for use in Term 3.

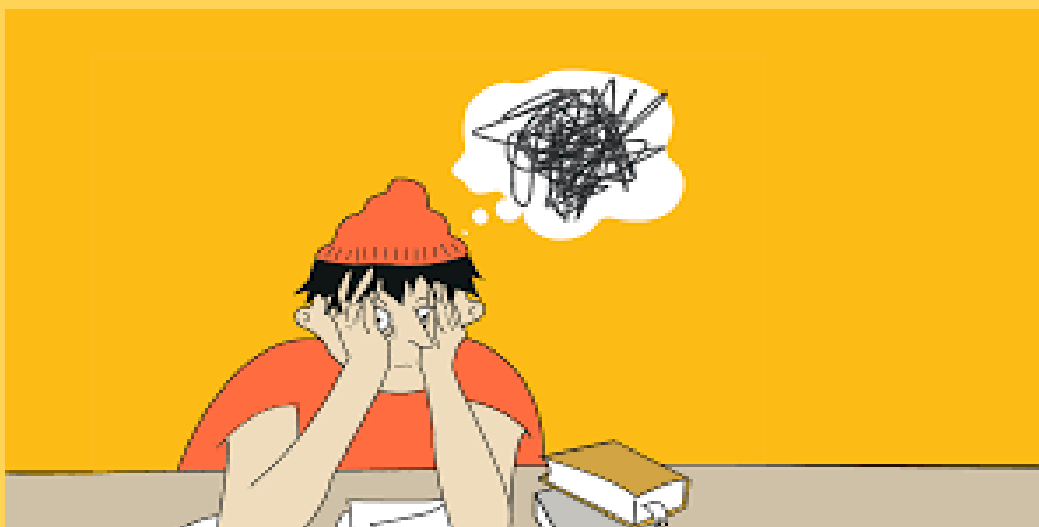

Year 11 & 12 and The Senior Prep Room

The last couple of weeks of the term are always the busiest for our senior students; the majority of them will have at least 1 assessment task due, in some cases they can have as many as 5 tasks to submit before the next lot of holidays on the 3rd of July.

WAYS TO GET ALL THE WORK DONE AND HANDED IN ON TIME:

1. The **prep room is always open and available** to help them with any subject.
2. **Get HELP** from their teacher if they do not know how to do the task or to get feedback.
3. Use the wall planner/calendar handed out in prep, so they can see what tasks are due at a glance, to **plan and manage their time** better.
4. **Start early**; do not leave it until the last minute!
5. **Use prep classes** and 'free periods' to do tasks.

ENGLISH

Year 10 English with Mrs Fuller took on an extension challenge to study “The Great Gatsby” a novel by F Scott Fitzgerald. The story of the book focuses on the young and mysterious millionaire Jay Gatsby and his obsession the beautiful Daisy Buchanan. Set in the roaring twenties (that’s 1920’s!) the book explores issues associated with The American Dream of opportunity, prosperity and success. In a twist of fate the main character is murdered- which set the scene for 10E1’s activity!

Mrs Fuller created a very realistic funeral by: making a coffin, using a dressed up resuscitation dummy (thanks PDHPE!) and setting up the classroom as a memorial service.

Students then delivered their assessment- a eulogy to Gatsby at his “funeral”. What a creative way to explore literature!

CREATIVE AND PERFORMING ARTS REPORT

Well, the world might have been isolated for a short while and school life may have been temporarily disrupted, but CAPA students have been continuing to flex their creative muscles and build their skills across Drama, Music, Photography and Visual Arts.

Now that face-to-face teaching has resumed, The Arts are bringing our students together to make sense of the world right now and to build resilience through collaboration, group-devising, filmmaking, composing, performing, sketching, painting, sculpting, photographing, analysing and more!

We have exciting projects on the horizon so watch this space. In the meantime, here are some images of our students in action during the second half of Term Two.

Mrs Corcoran
HT CAPA

CAPA REPORT CONTINUES

The 9/10 Ceramics 50 Hour elective have glazed their Term One amphora and have started making their functional clay busts.

The students were very pleased with the colours of their amphorae and also their textured small practise plates. I am very pleased with the progress this class have made, especially with the delays to schooling and the kiln room being refurbished.

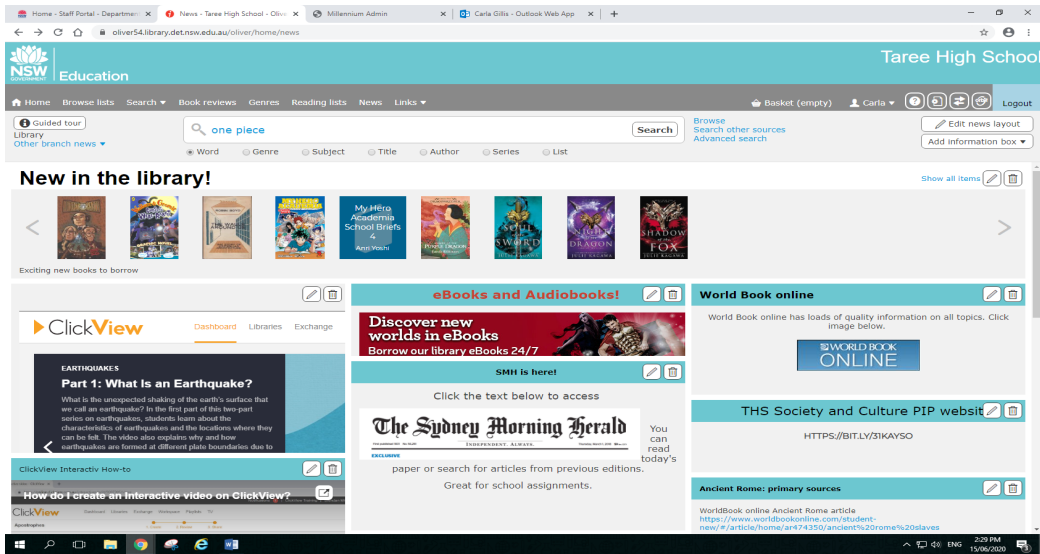

As you can see in the photographs, each student has persisted to improve their techniques and skills to resolve their artwork to a high level.

Ms Bennett
Visual Arts Teacher

We certainly missed our students in the library during the online period of study! It’s great to get back to normal and see all the friendly faces come into the library.

During the online time of study lots of students accessed the ebooks and audiobooks that Taree High School subscribes to. To access this you just download the ePlatform link and look for Taree High School then log in using the usual Department of Education login details. The link is also on the home page of the School library website (see below – ebooks link in red). Audio books are a great distraction on a long car or bus trip...

WorldBook online subscription has also been widely used and Year 7 have been practising creating a bibliography using this site. Searching the free web can be frustrating when you are looking for the author’s name, date published etc but with WorldBook you get all this information easily. The WorldBook online link is also on the library homepage (in blue on right).

Thankfully, we have been able to hold a couple of book club meetings this term. The students that come to Book Club are a delight to engage with and they are always bursting with conversation and excitement about what they have been reading. Most times we have around 15 members in the Year 9/10/11 group and a slightly smaller group for Year 7/8. And I always bring cake! This spontaneous photo only contains a handful of the normal membership of Book Clubbers.

SUPPORT UNIT 1 REPORT

SU1 have been writing stories of Super Heroes and Super Villains. It has been really interesting with a great deal of vocabulary extension, grammar and correct spelling in place.

SUPER HERO HARLEY QUINN BY RYAN SHAKESHAFT

Harley Quinn is really crazy, wicked and sly. She is a crazy person with her giant war hammer and her baseball bat. It's very strange to hear, but Harley Quinn really loves hyenas. She has so many tricks and with her crew, called Birds of Prey, she gets into a lot of adventures. Also Harley Quinn broke up with her boyfriend called 'The Joker'. Why did she break up? Well because The Joker thinks Harley Quinn is very weak. But she is not weak, she is strong and brave.

SUPER VILLAIN BOWSER BY RHYS HUGHES

Bowser is a super villain. He shoots spikes off his back and he also throws ice-balls onto the police station roof. That's how stupid he is! . He steals computers and lunchboxes and he gets extremely angry when he is hungry! His grandmother calls that "hangry". He is a very dangerous villain and needs to go to jail. He is very sly because he goes to Mario's house and tries to kill him. He takes a pistol but he actually doesn't know how to shoot with it. Bowser is always sneaky when he steals jewellery from his friends and wears them himself, without going to the police station. Well, he can't go to the police station because they would catch him for throwing ice-balls on the police station roof. All in all, he is a really stupid super villain!!!!

SUPER VILLAIN DUKE NUKE BY CALEB DEVRIES

Duke Nuke is a greed, clever, corrupted and cruel alien. Everywhere he walks, objects bounce for every step he takes. He steals from people by scamming them. He owns a casino and he scams people for their money in the casino. He even gets money from family and friends and noone can outsmart him. If you try, he will blow you up with his missile hands. He hates his enemy Vile King the Viking because he's always drunk and drinks all the beer at the casino. He constantly breaks everything and he always gets Duke Nuke's name wrong even though his name is very simple.

SPIRIT DAY

3RD JULY 2020

THS Spirit Day is an initiative first introduced in 2008 by the SRC. Its presence on our annual calendar creates a more enjoyable environment within the school. It achieves this by breaking down the barriers between students and teachers as well as students and their peers, the support unit and mainstream students and barriers between different year groups. Spirit Day encourages students and teachers to participate, cooperate and support each other in a variety of activities while competing in their House groups. More importantly though, Spirit Day is a day for FUN!

Our SRC thanks you for your interest, support and involvement. Let's continue to raise school spirit at Taree High School!
