

## Principal's Report

With half of the year gone and the final term for Year 12 looming, I reflect on what has happened this term.

COVID and now Influenza A&B have had a major impact on attendance with numbers of positive COVID cases decreasing and Influenza cases rising in the school in staff and students. I would like to thank parents for having students vaccinated, alerting the school to positive cases and keeping unwell students at home. The impact on staff has also been great with a shortage of casual teachers to replace them. On average eight staff are absent per day either with COVID / Influenza or caring for children with COVID/ Influenza. I would like to thank the staff for taking multiple extra classes over the term to prevent students sitting in the playground due to teacher absence. To date this has never occurred at Taree High School and it is due to the dedication of our staff and their willingness to go above and beyond their teaching loads. We are seeking more staff to be able to fill the gaps available.

One recruitment, dear to our hearts and minds was seeking a replacement for our Senior Leader Community Engagement, Jay Davis who passed away last December. The skill set Jay possessed was rare and covered such a broad range of expertise. He is still with us every day and his footprint on Taree High School is very evident. After advertising the position, Tannika Lewis was successful and will take on the role from Third Term.

Agriculture is taking off again after the arrival of Sienna Anderson (Hawkins) at the beginning of the year. Students have participated in Wingham Beef Week for the first time in a number of years and are looking for further opportunities to develop their skills. A new tractor has also been purchased for the Ag Farm.

One alarming issue we are faced with at the moment is Vaping. Parents are encouraged to discuss this highly addictive and health damaging activity with their children. Police talks have highlighted this with Year 7&8 and will have the same talk with Years 9&10 in Third Term. School consequences include some students being suspended for use in the toilets or in the bus zones. It is illegal for people under 18 to buy Vapes and we will provide any information to police regarding the supply of Vapes to our students.

We have received notification that the school has finally been accepted into the Cooler Classrooms program (air conditioning for all learning spaces). It is mooted that the works may begin later this year. Maybe in time for summer?? Watch this space!! We have however installed large bladed fans in classrooms as an interim measure for summer.

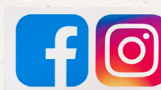

This term also saw the installation of new Interactive Display Boards (52 in total) for every learning space under the Rural Access Gap Program. This was a very welcome upgrade of our technology.

At the end of Term 2 we say goodbye to 3 longstanding SASS members. Rhonda Tuckwell (front office); Rhonda King (printroom) and Jeni Hofmeier (library). They truly have been an asset to the school, we thank them for their service and we will miss them all very much. They have served the school for a combined total of 75 years. We wish them all the very best in their retirement.

I hope you have a pleasant break over the holidays. School resumes for students on the 19th July on a Week B timetable.

Allison Alliston

Executive Principal

## Upcoming Events for Term 3 2022

Week 1B	Monday 18th July	Staff Development Day
Week 1B	Tuesday 19th July	All Students return Term 3
Week 1B	Wednesday 20th July	Sean Choolburra Performance
Week 1B	Thursday 21st July	SPIRIT DAY
Week 2A	Tuesday 26th July	NAIDOC Celebrations
Week 2A	Wednesday 27th July	Regional Athletics
Week 2A	Thursday 28th July	NAIDOC Community Event
Week 2A	Thursday 28th July	CareerQuip Expo
Week 2B	Sunday 31st July	Year 6 into 7 Taree High SsSchool Open Day
Week 3B	Wednesday 3rd August	Year 10 Subject Information Evening
Week 3B	Thursday 4th August	15s Boys/Girls Basketball
Week 5B & 6A	Monday 15th - Friday 26th August	Year 12 HSC Trials
Week 5B	Sunday 14th August - Friday 19th August	Year 11 Snow Trip
Week 5B	Thursday 18th August	15s Girls Netball
Week 8A	Thursday 8th September	Year 10 Immunisation Day 2
Week 9B	Tuesday 13th September	Year 7 to 10 Parent Teacher Interviews
Week 10A	Wednesday 21st September	Year 12 Presentation Night

## POLICE TALK

On June 14th two Police Constables come to Taree High School to talk to our Year 7 and 8 students about the effects social media, vaping, violence and weapons have on young lives. They discussed the rights and wrongs on the topics and how can impact them in the long term. Students asked questions throughout the presentation, which was very informative.

NSW Department of Education

# Compulsory school attendance

## I Information for parents

Education for your child is important and regular attendance at school is essential for your child to achieve their educational best and increase their career and life options. NSW public schools work in partnership with parents to encourage and support regular attendance of children and young people. When your child attends school every day, learning becomes easier and your child will build and maintain friendships with other children.

### **What are my Legal responsibilities?**

Education in New South Wales is compulsory for all children between the ages of six years and below the minimum school leaving age of 17 years. The Education Act 1990 requires that parents ensure their children of compulsory school age are enrolled at, and regularly attend school, or, are registered with the NSW Education and Standards Authority for home schooling.

Once enrolled, children are required to attend school each day it is open for students.

### **The Importance of arriving on time**

Arriving at school and class on time:

- Ensures that students do not miss out on important learning activities scheduled early in the day
- Helps students learn the importance of punctuality and routine
- Give students time to greet their friends before class
- Reduces classroom disruption

Lateness is recorded as a partial absence and must be explained by parents.

### **What if my child has to be away from school?**

On occasion, your child may need to be absent from school. Justified reasons for student absences may include:

- being sick, or having an infectious disease
- having an unavoidable medical appointment
- being required to attend a recognised religious holiday
- exceptional or urgent family circumstance (e.g. attending a funeral)

[education.nsw.gov.au](http://education.nsw.gov.au)

## NSW Department of Education

Following an absence from school you must ensure that within 7 days you provide your child's school with a verbal or written explanation for the absence. However, if the school has not received an explanation from you within 2 days, the school may contact you to discuss the absence.

Principals may decline to accept an explanation that you have provided if they do not believe the absence is in the best interest of your child. In these circumstances your child's absence would be recorded as unjustified. When this happens the principal will discuss their decision with you and the reasons why.

Principals may request medical certificates or other documentation when frequent or long term absences are explained as being due to illness. Principals may also seek parental permission to speak with medical specialists to obtain information to collaboratively develop a health care plan to support your child. If the request is denied, the principal can record the absences as unjustified.

### **Travel**

Families are encouraged to travel during school holidays. If travel during school term is necessary, discuss this with your child's school principal. An Application for Extended Leave may need to be completed. Absences relating to travel will be marked as leave on the roll and therefore contribute to your child's total absences for the year.

In some circumstances students may be eligible to enrol in distance education for travel periods over 50 school days. This should be discussed with your child's school principal.

### **My child won't go to school what should I do?**

You should contact the principal as soon as possible to discuss the issue and ask for help. Strategies to help improve attendance may include a referral to the school's learning and support team or linking your child with appropriate support networks. The principal may seek further support from the Home School Liaison Program to develop an Attendance Improvement Plan.

### **What might happen if my child continues to have unacceptable absences?**

It is important to understand that the Department of Education may be required to take further action where children of compulsory school age have recurring numbers of unexplained or unjustified absences from school.

Some of the following actions may be undertaken:

- Compulsory Schooling Conferences

You may be asked, along with your child, to attend a Compulsory Schooling Conference. The conference will help to identify the supports your child may need to have in place so they attend school regularly. The school, parents and agencies will work together to develop an agreed plan (known as Undertakings) to support your child's attendance at school.

- Application to the Children's Court – Compulsory Schooling Order

If your child's attendance at school remains unsatisfactory the Department may apply to the Children's Court for a Compulsory Schooling Order. The Children's Court magistrate may order a Compulsory Schooling Conference to be convened.

- Prosecution in the Local Court

School and Department staff remain committed to working in partnership with you to address the issues which are preventing your child's full participation at school. In circumstances where a breach of compulsory schooling orders occurs further action may be taken against a parent in the Local Court. The result of court action can be the imposition of a community service order or a fine.

### **What age can my child leave school?**

All New South Wales students must complete Year 10 or its equivalent. After Year 10, and up until they reach 17 years of age, there are a range of flexible options for students to complete their schooling.

### **Working in Partnership**

The NSW Department of Education recognises that working collaboratively with students and their families is the best way to support the regular attendance of students at school. We look forward to working in partnership with you to support your child to fulfil their life opportunities.

## Days missed = years lost

A day here and there doesn't seem like much, but...

When your child misses just...

they miss weeks per year

and years over their school life

**1** day per fortnight

=

**4** weeks

=

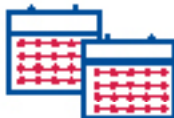

Over **1** year missed

**1** day per week

=

**8** weeks

=

Over **2.5** years missed

### More information

Further Information regarding school attendance can be obtained from the following websites:

#### Policy, information and brochures:

Please visit the Department of Education's Policy Library AND The Department's Attendance Matters Website

#### The school leaving age:

Please visit the Department of Education's Wellbeing and Learning website

#### Do you need an interpreter?

Interpreting services are available on request, including for the hearing impaired. The Telephone Interpreter Service is available 24 hours a day, seven days a week on 131 450. You will not be charged for this service

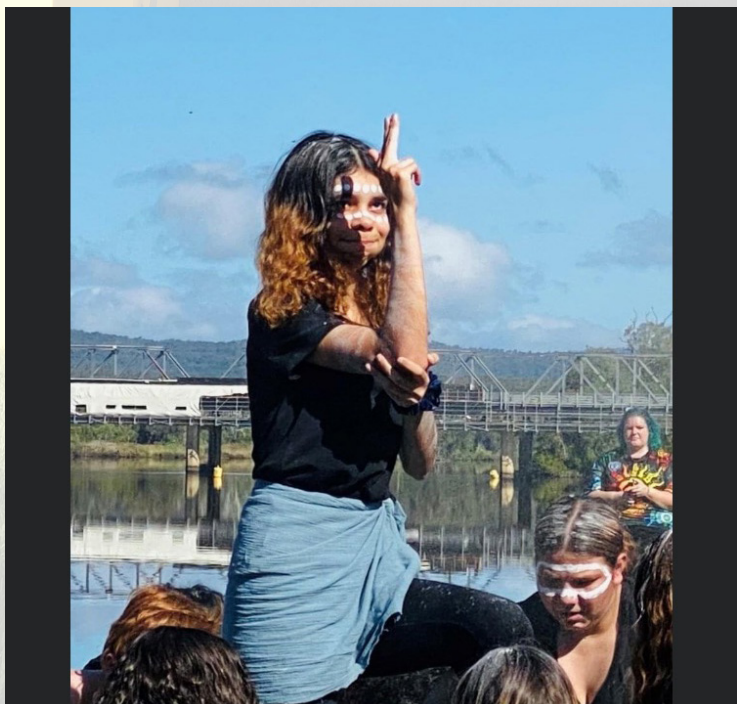

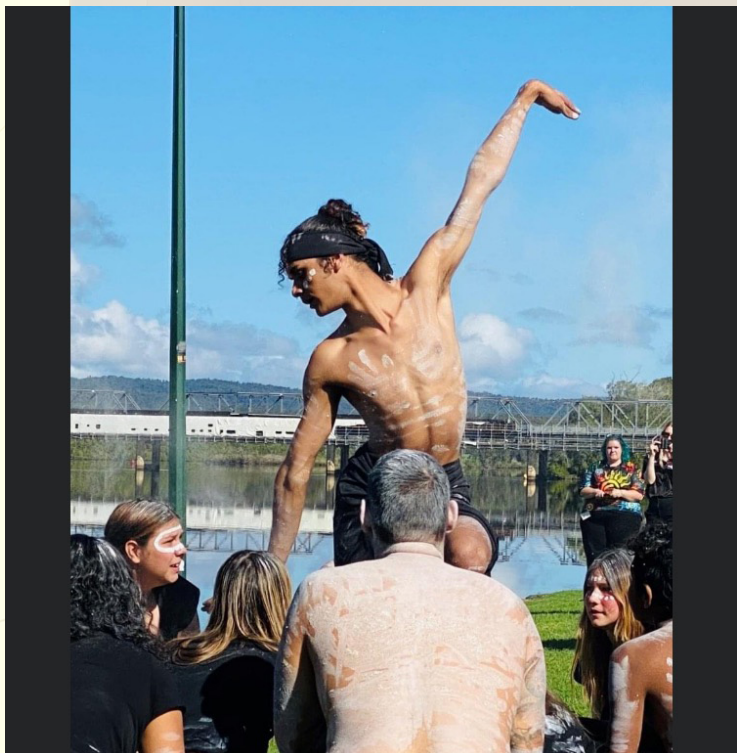

## Sorry Day and Reconciliation Day

Our wonderful Dance Group Girambit Waanggiliyn (Saltwater Dancing) performed at the National Sorry Day on Thursday 26th May at Manning River Stage.

Thursday 2nd June, we held a school assembly for Reconciliation Week. Our wonderful Girambit Waanggiliyn performed some of their traditional dancers.

Murribi Lester spoke about the history behind why we celebrate Reconciliation Week and Sorry Day in front of the whole school.

## Library Report

This term we had a visit from a famous author and illustrator – Nicki Greenberg. Nicki has written and illustrated many children's books and adapted two well known texts into graphic novels - *The Great Gatsby* and *Hamlet*. Students at Taree High School study these texts as part of the curriculum and Nicki Greenberg's version allows students to interpret the pictures and access the text a little more easily. Nicki explained to our students her process for writing stories and creating the images to go with them. She was inspirational to many of our students.

MidCoast Libraries holds the Great Book Festival every year and is the sponsor for this author visit. We thank MidCoast Libraries for their contribution to supporting Taree High School students in reading and literacy.

Mrs Carla Gillis  
Teacher Librarian

## SRC - Fundraiser - Heart Foundation

A MASSIVE thanks to the businesses that donated the raffle prizes:

Old Bar Natural Waffle Ice Creamery, Saltwater Wine Taree, Big W, Stash House Forster, Centrepont Fresh Chicken, Eddies Fresh Chicken, Charcoal Chicken, Chemist Warehouse, Donut King, Jack & co. and Target.

And lastly, a final massive thank you to YOU, our school community, for supporting this fundraiser. We raised a whopping \$1300 for the Heart Foundation which will go towards ending the heart break of heart disease. Total legends!

From your SRC : )

## SUPPORT UNIT

In our library lesson with SU1 during week 2 we continued reading our novel and then had a birthday party for Emily who turned 14! The students then had 10 minutes to build the tallest tower out of books of their choice - but limited to 15. Tommy built one taller than himself, but Rhys and Miss Jo won overall. Rhys had to put the final book on as Miss Jo could definitely not see the top of the tower. Happy birthday to Emily!

Our Support Unit Chef's, Lily, Ryan, Rhys, Travis, Courtney were at it again this term spoiling our principal with some more delicious foods. Meals consist of this term were: Pumpkin Soup, Banoffee Pie, Beef and Black Bean Stir-fry, Chicken Casserole, Minestrone Soup and ANZAC Biscuits

## CAPA - Visual Arts

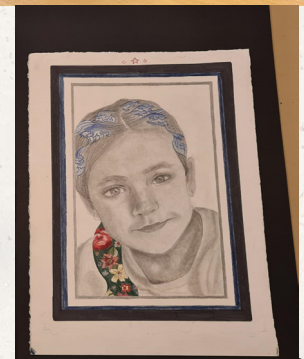

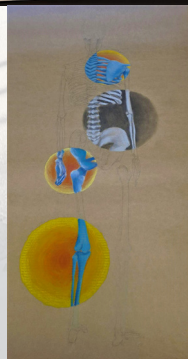

The Visual Arts faculty have been extremely busy this Semester learning many new techniques and producing quality artworks. Year 7 have explored themselves using symbols through personal timelines and family tree sculptures.

Year 8 have focused on the elements of the earth creating beautiful Mandala artworks showcasing the ever-cyclic nature of the world as well as ceramic tiles inspired by the four seasons.

Year 10 have immersed themselves in portraiture creating self-portraits and closely studying the Archibald Prize. Three portraits from this unit are about to be considered for the Young Archie exhibition at the Manning Regional Art Gallery which is an exciting opportunity for the selected students.

Year 11 Visual Arts have been exploring a wide range of materials and techniques producing Bodies of Work inspired by a range of artists including Da Vinci, Georgia O'Keeffe and Joan Miro. A very big congratulations to Year 11 student Annie Chen who has been selected into the National Art School HSC Intensive Program for Life Drawing. Annie will be attending the program in Sydney throughout the next two school holidays and this is a very exciting opportunity for her to develop her art practice further. Year 11 Ceramics, a brand new course this year have focused on creating functional objects including traditional Japanese Keshiki Pots and beautiful Brain Lamps.

Year 12 have been working tirelessly on their Body of Works that they are completing for their Higher School Certificates. The Visual Arts faculty have many more exciting things planned for Semester 2 and look forward to showcasing more works from our very talented students in the future.

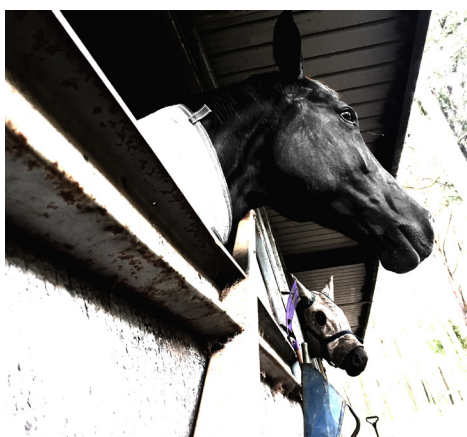

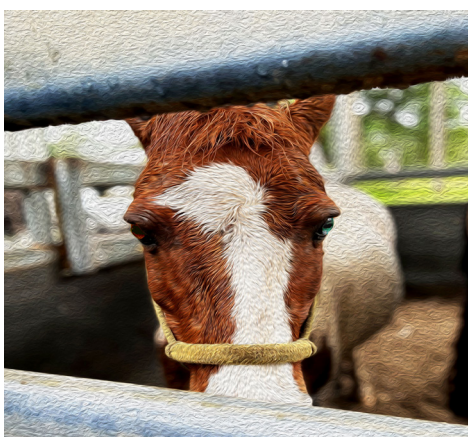

## CAPA - Photography

Year 11 Photography and Digital media have again collaborated with @Taree Equestrian Centre to successfully produce some thoughtful and interesting compositions.

Students used iPhones and DSLR cameras in a busy working environment and overcame the professional challenges of mud and rain on the day.

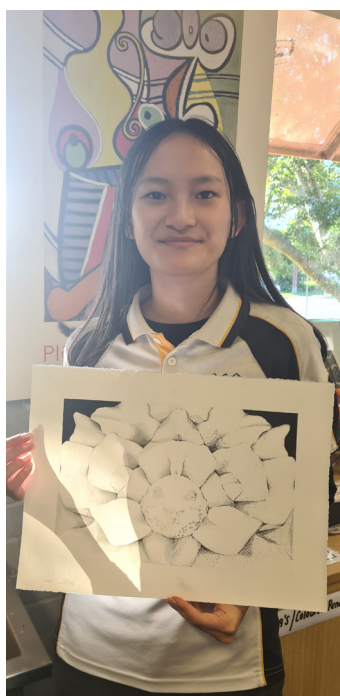

Here are a curated selection of images by Katie Fletcher, Jett Sheridan, Jack Balderston, Ella Nash, Ashley Brown, Declan Glassey and Jayden Thurtell.

## CAPA - Visual Arts

**Congratulations** to Annie Chen of Year 11 for being accepted into the National Art School Intensive Studio Practice for Life Drawing. Annie will be attending the National Art School in Sydney for the next two school holidays.

This course is designed for students to further their studies in Visual Arts. To be nominated, students must be those who are achieving at the highest level of excellence in their Preliminary Course and who demonstrate a mature attitude to their studies.

## CAPA - Music

Look what Year 7 have made!  
7-1 were outstanding in their musical instrument assignment creations. From guitars to thong xylophones and everything in between they were able to produce instruments capable of making sounds from recycled or upcycled materials. Congratulations on your efforts guys!

## Science

### SYSTEM Challenge

'On Tuesday 3/5/22, Science and STEM Elective students in year 9 and 10 were invited to a Science and Engineering Challenge Day at St.Claire's High School. The Rotary Club organised a day where students were tasked with completing different STEM based activities. Taree High students stepped up to the challenges of the day presenting many success stories.'

### BEEF WEEK

9 students represented Taree High at Wingham Beef Week. They did amazing getting the 2 steers ready considering the rain and limited time being able to access the Ag farm. Anabelle Starr, Sommer Abbott, Marcus Smith, Tyler Burgess and Ibanez Lovell all had a chance to lead the cattle. Rory Murray, Mya Weiley, Nate Roach & Aaron Merchant helped prepare the cattle.

Marcus Smith placed 6th in the British White section with Oereo who also placed 6th in the carcass section. All students had an excellent time and learnt so much. The show team have already started preparing and breaking in the new cattle for upcoming shows.

## Sports

### Netball

#### Open Girls

Our Open Girls Netball team make it though to the top 16 Hunter Open Netball Competition which was played on Friday 27th May in Newcastle.

The girls first game was at 9:30am they came up against a very strong Newcastle High School Team, although we were only 2 points down at the end of the 1st quarter, the girls showed some great netball skills, but the 2nd quarter Newcastle put their foot down and push the score out to a much bigger lead with the final score 42-26.

Our second game was at 11:15am against Toronto High School, this was a convincing win with the final score 72-36. Our girls showed excellent sportsmanship and represented Taree High School with our core values of Co-operation, Participation and Respect.

Team list; Hannah Elford (c), Jessica Ferris, Charlotte Rainger, Ausha Paulson, Chyna Johnson, Kirra Simon, Tilly Hollis, Samira Mitchell, Hannah Dignam and Bailey Deas.

### Soccer

#### Open Boys Football (Soccer)

Rd 2 vs Hunter River High

Taree's Open Boys soccer team travelled down to the Maitland area to play our match on Monday 4th April. Our match was managed to be played on a near dry field on a nice, warm and sunny Autumn day. We were able to dodge the rain and complete our match with the final score of 1-3. The boys played really well and played the entire game as there were no reserves. The score was 3-0 at Half-Time and we won the second half by scoring the only goal.

All of the boys put in their best effort and were unlucky to not score more goals with a few shots only just missing. The boys represented Taree High in good spirits and to an admirable standard and also received compliments from the referee and side line official for their fine efforts.

Taree High Team:

Eden Taaffe, Bryan Kong, Aiden Mac Murray, Blake Dohnt, Caleb Whitehouse, Jim Hume, Zane Smith, Cory Doherty, Jie Hepworth, Jasiah Cusbert, Isaac Hayden.

Well done Boys!!

Mr Kelly

### Soccer - cont,

#### Boys Bill Turner Cup U15 Football (Soccer)

In: Taree

Vs: Manning Valley Anglican College

Friday 6/5/22

Our Round 1 postponed match was played today in a close encounter where both sides had a few chances to score with the match an even contest throughout. It was an end-to-end game with teams moving consistently from one set of goals to the other set. Control of the ball was difficult on the surface with a lot of bounce around but our team performed admirably and in good spirits, representing Taree High in an excellent fashion.

Half-Time score was 0-0 and the Full-Time score was 0-1 with MVAC taking out the win.

Special mention to Reece Miller who was taken out in a tackle for the ball, putting an all-in effort for Taree High. All boys played a full game and should be very proud of their efforts!

Nice work boys!

Team list:

Connor Humphrey, Josh Brawn, Ben Robinson, Connor Neal, Reece Miller, Brendan Halliday, Ben Wallace, Evan Thomas, Julian Jackson, Blake Murray, Lincoln Chesser, Lucas Beckley.

Mr Kelly

### Soccer, Open Girls

**Open Girls Soccer** played their 3rd and 4th round match on Friday 29th April. First game they played Maitland Grossman High and won in a tense 1-0 effort that saw Sommer Abbott score the only goal.

Second game was against a fresh Rutherford High School. The girls started out positively with Jorja Holborow's strike rattling the cross bar. But in a game where Rutherford took their chances the girls went down 3-0. I cannot put into words how proud I was as a teacher and coach of how the girls played and conducted themselves while on the excursion.

## Sports

### Hunter Hockey

Abby Watts, Brady Cross, Jayden Manusu and Miss Hardy went down to Newcastle to represent Taree High School at CHS Hockey from Monday 23rd to Thursday 26th May. With Abby Watts playing in the girls Hunter team which was coached/managed by Miss Hardy. The girls team came away with second place winning a silver medal.

Brady Cross and Jayden Manusu played in the boys Hunter team. The boys team came away with first place winning a gold medal. Well done to everyone we are very proud of you.

Congratulations to Abby Watts and Brady Cross on making the NSWCHS opens hockey team. They will head back to Newcastle next term to play at the NSW All schools championship.

### Tennis

On Monday 9th May, The Open Girls and Boys tennis was played against Great Lakes College. There was some very competitive games played from both schools but unfortunately Great Lakes College were too good on the day.

A huge congratulations to our teams for the way they conducted themselves on and off the court. A pleasure to teach and coach such well rounded young adults.

### Cross Country

Congratulations to all our Regional Cross Country Athletes. All performed well Friday 17th June on a tough track. Good Luck to those that have qualified for State Cross Country later in the year.

### Hockey

The Taree High School Open boys and girls hockey teams competed in Round 2 of the Combined High Schools Knockout on the Wednesday the 1st June. The girls played Rutherford Technology High School and had a convincing win 23-0. Taree High School open boys team played Gloucester High School and displayed a high level of skill and had a strong 9-1 win. Both teams are to be congratulated on their level of respect and sportsmanship. We wish both teams well in their next games.

Team Coaches: Ms Hardy & Mrs Harris

### Swimming

Ryan Shakeshaft attended NSW allschools Swimming at Homebush on Friday 3rd June. He was part of the Multi class relay team. They placed 3rd. Congratulations Ryan

### Futsal

2022 Manning School Futsal Titles

On Wednesday 8th and 9th June a number of teams competed in this Futsal tournament at Taree's Saxbys Stadium representing Taree High in a fantastic manner with great team and school spirit. Teams competed throughout the day in a round robin event with finals at the end of the day. All teams put in their best efforts and also improved throughout the experience.

All teams managed to gain either a win or a runner up finish which is a commendable achievement with each and every player deserving a congratulations.

Results were as follows:

U19s Girls: Winners (Vs Chatham)  
U16s Boys: Winners (Vs Bulahdelah)  
U19s Boys: Runners Up (Vs St Clares)  
U14s Boys: Runners Up (Vs Great Lakes & Tuncurry College)

All players received medals for their efforts too. Well done everyone and you should be proud of yourselves!

Mr J.Kelly (Coach/Manager)

## CareerQuip 2022

After a Covid break of 2 years, it is great to announce that careers expos are back to support our students.

2022 brings CareerQuip, a new way of looking at careers and post school options. CareerQuip is a full community event running from 8am to 4pm. Whilst school students will still make up the bulk of attendees, everybody in our community is welcome to attend. Careers is a lifelong journey, and many employers are out there looking for great new team members, whatever their age.

CareerQuip will take place within the basement area of the old council building in Pulteney Street and spill out onto River Street, which will be closed off for the day. This allows some of our larger exhibitors to go all out in bringing static and interactive displays.

At this stage we have just under seventy exhibitors attending, covering vocational and tertiary learning, allied health, creative industries, employment support, trades and defence. Regional schools from the Macleay, Hastings, Manning and Great Lakes will be in attendance. Many local students will be involved showcasing their vocational skills, especially in hospitality.

In the weekend press, an opinion article stated that income and educational attainment were intercorrelated. All students should always aim to increase their learning and skillset, whether that be achieved vocationally or academically.

CareerQuip is designed to open the eyes of our students, their parents and carers to the wonderful opportunities that exist when they transition from school, whether they be the “school is not really for me” or the more academically aligned student.

CareerQuip is on Thursday 28th July. Taree High Students from Year 10 to Year 12 will be in attendance. There is no cost to attend the event.
