PRINCIPAL'S REPORT - TERM 3

Dear Caregivers and Community Members,

As Term 3 draws to a close, it's a fitting time to reflect on a busy and successful term filled with academic, cultural, and sporting achievements. I want to extend my gratitude to the wonderful staff who made all these events possible.

I am excited to announce our School Captains for 2025: Samantha Hollis and Toby Allan, and Vice Captains: Elma Karizama and Cameron Lohse. I am confident they will inspire and lead Taree High to even greater heights next year. We will announce the remainder of the Student Representative Council at the Induction Assembly on Wednesday, 16 October.

This term, we also bid a heartfelt farewell to some longstanding staff. Glen Bowman, our dedicated Careers Adviser, is retiring after many years of guiding students toward their goals. Fiona Corcoran, our Drama teacher, is moving to the Port Macquarie area, and Heidi Speers has accepted a position at Camden Haven High School. We thank them for their invaluable contributions and wish them all the best in their future endeavours.

At the same time, we warmly welcome Debbie Cogle, who will join us as Head Teacher Mentor in Term 4, coming to us from Great Lakes College. We are excited to have her on board and look forward to her contributions to our school community.

Throughout the term, we've enjoyed a wide array of exciting events. Highlights include our participation in the Manning Combined Schools NAIDOC Day, Spirit Day, the HSC Drama Showcase, the Triple M Concert, and the Year 11 Snow Excursion. We also marked R U OK? Week, CareerQuip, Luminosity, and several other curriculum and class-related excursions. These events enriched our students' learning and helped build camaraderie and lasting memories. Thank you to all staff who worked tirelessly to organise these opportunities. Check out our Facebook Page for all the celebrations <https://www.facebook.com/tareehighschool>.

Our Year 12 students have reached the end of their school journey, and what a journey it has been! From their early days as Year 7 students to now, they have shown resilience, adaptability, and determination, especially during challenging times. The Year 12 Presentation Evening was a wonderful assembly that highlighted the hard work, dedication, and resilience demonstrated by this cohort throughout their final year at Taree High School. Special thanks to Mrs Fuller, Mr Collier, and Mr Hunt for their support of our Year 12s over the years. As we head into Term 4, our focus will be on supporting Year 12 through their exams. The HSC exams begin on 15 October, and we wish Year 12 all the best. Mrs Hofmeier will return to Taree High School as our HSC Presiding Officer and work closely with Year 12 to ensure everything runs smoothly. I encourage all students to use the holiday period wisely, prepare thoroughly, and reach out to their teachers for assistance where needed. You've got this, Year 12 - the finish line is in sight!

Thank you once again for your ongoing support of Taree High School. I look forward to another exciting chapter in Term 4 and seeing what we will accomplish together.

Yours in learning,

Nigel Reece

SRC Report

As Term 3 draws to a close, we bid farewell to our current SRC team. Elected in Term 4 last year, this dedicated group of students has had an eventful year as the voice of our student body. We've organised numerous events aimed at promoting student wellbeing and enhancing school life. Our SRC Instagram account has become a key platform for increasing community engagement, allowing us to connect directly with students and address issues that matter to them. Charity remains a cornerstone of our SRC efforts. This year, with the support of Taree High students and staff, we have raised hundreds of dollars for the Taree Women's Shelter and the Black Dog Institute. Our fundraising activities have included baking cakes, hosting sausage sizzles, making lolly bags and we certainly don't mind a dress up! Additionally, we collaborated with Mr. Reece and the PBL team on our rewards system and had a blast at Spirit Day 2024. The THS SRC, led by captains Ffion and Jayden, and vice-captains Nithara and Ryder, have showcased exceptional leadership, dedication, and school spirit at various events. These include the Halogen Youth Leadership Conference, ANZAC Day, Remembrance Day, school carnivals, fundraising events, and assemblies. We are incredibly proud of the leadership demonstrated by all SRC members throughout 2023/24. Our heartfelt thanks go to the staff and students at Taree High for their unwavering support. We couldn't have achieved any of this without you!

Ms. Smithurst & Mrs. Van Kampen SRC Coordinators

PRINCIPAL'S ADDRESS TO YEAR 12

Year 12 Graduation Address for the Class of 2024

Wiyabu nyura friends of Taree High School, caregivers and legends.

Well, here we are – the grand finale. Year 12, you've done it! I feel some of you are still in disbelief that this day has finally arrived. It feels like only yesterday I welcomed you to Taree High as bright-eyed Year 7s, back when I was your Deputy Principal. And now, I stand before you as your Principal and Educational Leader, farewelling you at the end of your journey. It's been an incredible ride, and I couldn't be prouder of the young adults sitting before me today.

Your high school adventure kicked off in 2019, a time when TikTok was just beginning and "social distancing" wasn't even on the radar. Back then, life seemed simpler - no masks, no Zoom, and the biggest challenge we faced was Mr Gollan's door-banging alarm on snow trips. You came in with excitement and curiosity, completely unaware of the surprises that the world had in store.

Then, along came 2020, and what a plot twist that year was. Fires, floods, and a global pandemic turned Year 8 into something none of us could have predicted. But you didn't let that stop you. You adapted quickly, Zoomed/Teams/Google Classroomed your way through classes, became experts at muting and unmuting yourselves, and for some, just avoiding work altogether. Learning from Home Stealth Mode was mastered. But let's not forget those lock-down never-ending pyjama days - definitely one of the highlights!

By Year 9, the novelty of "Learning from Home" had well and truly worn off, but your determination hadn't. You tackled every challenge head-on, whether it was wearing masks, missing out on lunchtime footy, or finding creative ways to stay connected with your mates. And how could we forget our infamous COVID online trivia sessions? We all learned something new during those times - like the fact that Sri Lanka introduced a law banning drunk driving of, wait for it - elephants! Yep, some trivia facts really do stick with you.

Year 10 and 11 threw a few more curveballs - assignments, exams, and trying to remember where you left your timetable. But you didn't let that slow you down. You worked hard, had your fun, and somehow always managed to squeeze an extra five minutes into every break.

Now, here we are in 2024. You've survived 13 years of schooling, countless assessments, and the emotional rollercoaster of every school excursion. From experiencing snow for the first time on that unforgettable trip, to the excitement of Spirit Days, musicals, and those

never-ending library trivia sessions (who knew "Green Eggs and Ham" only had 50 words?), you've made memories that will last a lifetime.

You've been a truly remarkable group, not just because of the pandemic. You've shown resilience, creativity, and determination. You've led, you've built friendships, and you've embraced responsibility - all while finding time to win Spirit Cups, represent the school in sports, and even gain a bit of TikTok fame along the way.

Of course, none of this would've been possible without the unwavering support of the people around you. To Mrs Fuller and Mr Hunt - thank you for guiding and supporting these incredible students every step of the way. From helping them navigate the highs and lows of school life to making sure they leave here with confidence, you've been absolute legends. To all our teachers and staff, your dedication over these last few years has been nothing short of inspiring. You've not only given them knowledge but also the skills they need to tackle the world ahead.

I also want to take a moment to recognise the caregivers - the parents, grandparents, and guardians - who have been the steady hands behind the scenes. You've cheered them on, supported them through the rough patches, and perhaps even endured the stress of those last-minute assignments, or even the "where to next" or "what was that brainfart" meeting in my office. We couldn't have done this without you. Thank you for your patience, your belief in your kids, and for your endless support.

As you head off into the next chapter of your lives - whether that's further study, starting work, or simply catching up on some well-deserved rest - remember the values you've learned here. "Cooperation, participation, and respect" aren't just Taree High buzzwords; they're the keys to navigating life. Whether you're dealing with a boss, a university lecturer, or even just a difficult neighbour, these values will see you through.

So, Class of 2024, as you step into your future, remember this: you're capable of achieving anything. You've navigated some of the wildest times, and if you can survive a global pandemic, you can survive anything. Keep that sense of humour alive, keep striving, and don't forget to send us a postcard from wherever life takes you. And of course, **all the best in your upcoming exams** - you've got this!

Congratulations, Class of 2024 - you've made it! Now, go out there and show the world what Taree High grads are made of.

Cheers!

Principal's Award Citation

Throughout their schooling journey, this student has consistently demonstrated resilience, determination, and a unique ability to embrace every challenge. Starting high school can be a daunting experience for anyone, but for this student, it was an especially significant transition. From their first tentative steps into Taree High, where the uncertainties of high school life seemed overwhelming, they approached each day with quiet strength.

They have grown into a student who deeply values learning, as shown by a love for literature and fascination with words. Despite facing difficulties with numeracy and other academic areas, they never gave up. With each challenge, they displayed quiet perseverance and a strong determination to succeed.

Their progress is measured not just by academic achievements but by the resilience shown in day-to-day actions. This student is attentive, thoughtful, and possesses a sharp memory that often surprises teachers, particularly when recalling facts from lessons. In their own way, they have built a legacy of kindness, consistently treating peers and teachers with respect. Their journey has been shaped by an unwavering commitment to improvement, whether through reading or practical work in the school garden. Whether navigating the social world of high school or mastering new skills in the classroom, they faced it all with courage.

It is these qualities - their resilience, determination, and growth that I honour today. I am proud to present my 2024 Principal's Award to

Juno Fieldhouse

Wellbeing Team

New Student Support Officer- This term we welcomed a new Student Support Officer, Tegan. Tegan comes to us all the way from QLD with a wide range of experience in Youth Mental Health, program delivery and student engagement. Tegan has an infectious enthusiasm and passion for supporting and empowering young people and a heart dedicated to fostering positive mental health and wellbeing. Tegan is excited to bring her fresh perspective and energy to the Taree High Community.

RUOK!- This year we brought awareness to RUOK! With a week of engaging activities. RUOK? Is more than just a question, its a movement to encourage and meaningful conversation and provide support to anyone and everyone who may need it. Our week included positive messages, breakfast, wear it yellow, a connection with a pancake from our students and a staff Vs Students Volleyball game. By bringing awareness to these significant events we aim to create a culture where every student, teacher and staff member has a sense of belonging and feels comfortable to reach out and offer support.

Wellbeing Team

We welcomed Student Support Officer (SSO) Christy Summerville back to the Wellbeing Team at the start of this term. Christy has been an integral part of the Wellbeing Team for some time, and we are looking forward collaborating with her across the awesome programs and activities that the Wellbeing Team facilitate. There have been some excited students around the school, the Wellbeing team share that excitement, as Christy is a great SSO who supports our students with empathy and understanding.

Term 3 has certainly been a busy period for Taree High students and staff. The term started with the annual Luminosity Youth Summit, this was another amazing event and the students that attended, experienced an actioned packed two days of Possibilities and Purpose.

The G.O.A.T challenge ended strongly, with Year 10 taking out the honours in the slide hockey challenge. Term 4 activities will include touch football, basketball, and a special challenge, stay tuned for more information on what that will be.

Consent Labs delivered a variety of educational talks to years 7 to 10 during this term, this was an opportunity for students to gain an understanding of some important topics in a fun and interactive way.

During Week 8, 9 & 10 our Year 9 students attended the Youth Aware Mental Health (YAM) program, another great program that enables students to develop an understanding of mental health and social interactions.

Creative and Performing Arts

Congratulations to our Year 12 Drama students for successfully completing their HSC Practical Examinations in Week 7! Their diligence and talent shone through as they delivered their outstanding Group Performance and Individual Projects to the HSC Markers from NESAs, making their teacher and school incredibly proud.

Our Year 10 and 11 Drama students also played a vital role, not only as an enthusiastic audience but as technical crew, ensuring the event ran seamlessly. This unique opportunity allowed them to gain valuable insights into the HSC Drama Examination process and witness some truly remarkable performances. The photos accompanying this article are from the HSC Drama Showcase evening held in Week 4, just before the Trial Examinations. Thank you to everyone involved for making this a memorable event!

Before the term ends, selected students will be attending the Theatrebites excursion at The Glasshouse in Port Macquarie. Our graduating cohort will be showcasing some of their HSC works, with other Drama students joining as audience to support and enjoy the performances.

In the junior years, students have been studying Realism and working through Stanislavski's acting techniques to portray authentic emotions on stage. Bring on Term 4 and the consolidation of the year's learning, culminating in some wonderful end-of-year class performances.

For me personally, these past six years at Taree High School have been both huge and incredibly fulfilling. We've navigated our way through significant events—fires, floods, and COVID—yet amidst these challenges, our Drama students have consistently demonstrated resilience and enthusiasm. They've honed their collaborative and on-stage skills, embodied diverse characters, and deepened their appreciation for live performance. I'm deeply grateful to everyone who has been part of my journey here at Taree High School, especially the outstanding Creative and Performing Arts faculty.

Year 12 Visual Arts

Year 12 Visual Arts have completed another year of successful Bodies of Work. This was the year that has had the most diversity - from painting, drawing, sculpture, ceramics to textiles and animation. They have worked extremely hard for the last 12 months on their selected artworks to have achieved excellent outcomes. All students are to be congratulated on their diligence and efforts and I wish them all the very best for the future. They will be very missed as a class group - Mrs Pellew

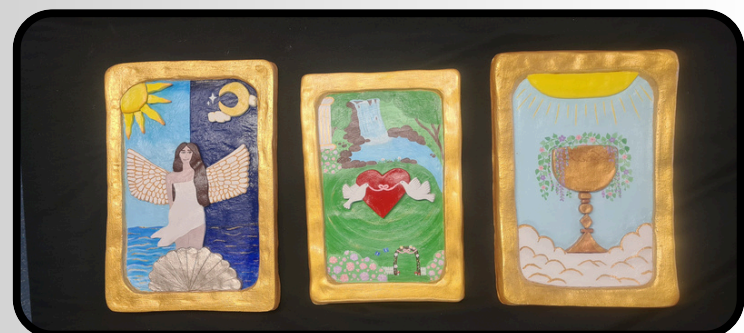

Year 10 Visual Arts

Year 10 Visual Arts have been working very hard on the Great Masterpieces, appropriating famous artworks from history and making them 3-dimensional. Many students showcased their talents and Taree High may have the next Vincent Van Gogh! The new unit Street art is just about to launch so watch Taree High's space - as you never know what may pop up!

Year 7 Visual Arts

Year 7 have been studiously working at developing skills in the techniques of mixed media painting producing self-portraits. They have learnt a lot about each other through the process and their art skills are improving every day.

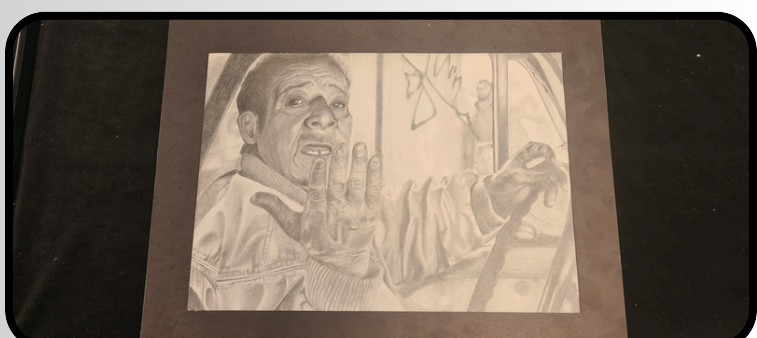

Its been a busy start to Semester 2 for all Year groups and we look forward to seeing many more interesting projects in Term 4 to finish up 2024!

Year 11 Snow Trip 2024

On the 18th of August, Sunday morning, a bright eyed and bushy tailed group of students departed Taree bound for the snow. There was plenty of excitement and anticipation for the trip but soon they were all snoozing and vaguely observing the outside environment change into alpine ruggedness.

We arrived and got acquainted with our new surroundings, gathered ski and boarding equipment and prepped for the next day on the snow.

Our first two days on snow were blue skies and light winds with good snow conditions for learning. These two days lay a foundation of skills that would allow many of our students to build the confidence and capabilities to explore other areas of the ski field.

Days three and four were more like the cold alpine weather one might expect when visiting the ski fields. This was a little more challenging for students with the cold weather presenting a resilience challenge that I am happy to say our students rose to.

We were blessed to witness snow falling an experience I hope for every group that attends the trip.

It has been a great pleasure to take these students away and witness the camaraderie they share, willingness to help and support each other and our staff.

I would also like to thank the SAS staff who helped with the organisation of the excursion and the accompanying staff who took time away from their families and daily responsibilities to support, nurture and develop skills and confidence of the students attending the excursion.

Well done to all and bring on 2025.

SUPPORT UNIT REPORT

Biluun (Stingray)

The Biluun Visual Arts class have been learning about printmaking techniques, specifically lino printing. They have designed, cut and print their own works with excellent outcomes. In HSIE they have focused on Ancient Egypt, researching the lives of the Pharaohs and the religious practices of their ancient society. And lastly in English the Biluun class have climbed their way to the top of the Accelerated Reading Program competition! This has been run by our Teacher Librarian Mrs Gillis, and the program encourages independent reading practice and the love of reading. The students have navigated the library catalogue to read selected books which they are quizzed on to gain points for the class to win a hot chip party at the end of term 3. Keep up the good work Biluun.

TERM 1 SPORTS REPORTS

NETBALL REPORT

On Thursday, 22nd August, the U15 girls netball team travelled to Gloucester for a day of competitive matches. The team started strong, securing a solid victory against Wingham. Despite their early success, the girls faced tough competition in their subsequent games, resulting in losses to Forster, Tuncurry, Gloucester, and Chatham. Throughout the day, the team exhibited excellent behaviour, showcasing a wide range of skills and unwavering determination in every match. Their sportsmanship and teamwork were commendable, reflecting their commitment to the game.

A special thanks goes to Katie for her outstanding effort in umpiring the matches. Her contribution was greatly appreciated and added to the success of the day's events.

FUTSAL REPORT

NNSW Champion of Champions School Futsal
 Date: 31/7/24 (Wk 2 T3)
 Venue: Sportz Central Stadium, Coffs Harbour
 Taree High participated in the NNSW tournament with other champion and runner up schools from their local titles invited to attend from Tweed Heads, Armidale, North Turramurra (North of Sydney) and more. The U19 Boys qualified from winning the Manning School Futsal Titles in May held at Iron Stadium in Taree.
 The boys represented Taree High in great fashion with multiple comments from the organisers and others for their respectful behaviour and enthusiasm on and off the court.
 The team won 3 of their 4 games which was enough to claim the title!! U19 Boys 2024 Northern NSW Champions!!
 This also qualified the boys to represent Taree High in Brisbane in November for the Australasian Champion of Champions Titles!
 Congratulations boys! A fantastic effort! Top Goal Scorer was Connor Humphrey & Julian Jackson. Lots of really good goals were scored and assists given (including a first touch assist by Thomas Kennewell) with close misses by many of the other boys too.
 Team List:
 U19s Boys: Connor Humphrey, Ben Wallace, Ben Robinson, Connor Neal, Thomas Kennewell, Luke Croker, Julian Jackson, Frazer Merrick and Leo Allan (Goalkeeper).
 Very impressive boys!!
