Principal's Report – Term 1 Wrap-Up and Centenary Celebrations Ahead!

What an incredible start to 2025 we've had at Taree High School! Term 1 was packed with energy, creativity, and connection – a brilliant reflection of our vibrant school community.

We kicked off the year with our Welcome Afternoon for Year 7 caregivers, followed by standout events like the whole school Swimming and Athletics Carnivals, Cross Country, GOAT Challenges, Harmony Week celebrations, and our much-loved SRC Fundraising Days. Our learners shone at events like Pulse Alive, Backflips Against Bullying, and the Halogen National Young Leaders Day, while staff and students alike rolled up their sleeves for Parent-Teacher Night, a huge number of assessments, and a whole lot of learning.

Term 1 also saw our Aboriginal Dancers representing the strength and pride of our culture, and our On Country Days providing authentic opportunities for learning on Biripi land. These are the moments that remind us of the strong values we share at Taree High.

Looking ahead, we're incredibly excited to welcome our community to Open Day on Sunday, 18 May as we officially celebrate 100 years of Taree High School. It's going to be a fantastic day to reconnect with alumni, meet current staff and learners, and reflect on our proud history while looking boldly into the future.

A huge thank you to our amazing staff, families, and learners who make this school such a dynamic place to be every day. Here's to a terrific Term 2.

Yours in learning,

Executive Principal

DUX

FFION DAVY

On Thursday 20th March, we held a short assembly to congratulate ex-student Ffion Davy, who was awarded DUX of 2024.

She spoke about how Taree HS and her peers supported her on her learning journey, and on her start at University in Port Macquarie. We wish her all the best with her future.

THE OFFICIAL NEWSLETTER OF TAREE HIGH SCHOOL

MEET THE TEACHER

1. What's your name? And what's your role at THS?
Kristy Hay - I teach LOTE - Aboriginal Language and Culture (Gathang) to all of Year 7 and also teach some Year 9 and Year 8 English lessons.

2. What's one fun fact about yourself?
I have spent the last 18 years working in a primary school.

3. What do you love so far about our school?
What's not to love! If I had to name one thing though, I think I would have to say the people - the staff and students at THS have been super welcoming and have helped me to feel that I am right where I need to be.

4. What inspired you to become a teacher?
I wanted to make a difference in my community and show my children and other young people that anything is possible if you set your mind to it. As someone who didn't enjoy school when I was young, I wanted to be the teacher I always wished I had had - A teacher who would teach students to believe in themselves even if they felt like no one else did.

6. What's your 'go to' karaoke song?
Chicken Fried by The Zac Brown Band

5. What made you choose THS?
The amazing opportunity to teach students about the language and culture of my people - The Biripi people.

7. Dream holiday destination? USA -
I'd love to go and spend time mustering cattle on a big ranch in Texas or Montana.

8. Pineapple on pizza, yes, or no? No way!

MEET THE TEACHER

1. What's your name? And what's your role at THS?

Gayle Houlahan, Careers Adviser

2. What's one fun fact about yourself?

I am an ironwoman completing the full distance triathlon in Port Macquarie in 2010.

3. What do you love so far about our school?

The friendliness of students and staff.

4. What is the best advice you've ever been given?

Life is not a dress rehearsal! So, make the most of the time you have.

5. What advice would you give to the students?

Challenge yourself and always give your best effort.

6. If you had to pick a superpower, what would you choose?

Time travelling abilities so I could go back and see the people and pets I have lost from my life.

7. What made you choose THS?

The opportunity to take on the Careers role and the great sense of community within the school.

8. What's your favourite 'go to' snack at school?

Coffee is my 'go to' more than snacks.

9. What was your favourite/least favourite subject at school?

Favourite Economics. Least favourite Science.

10. Dream holiday destination?

My favourite place I have visited is Russia. South America and Africa are now top of my bucket list.

11. Pineapple on pizza, yes, or no?

No.

1. What's your name? And what's your role at THS?
My name is Miss Ford and I am a PDHPE teacher

2. What's one fun fact about yourself?
I love to travel and see new places!

3. What do you love so far about our school?
How kind and welcoming the staff and students are 😊

4. What is the best advice you've ever been given?
When there is a will to achieve something, there is a way to achieve it!

5. If you had to pick a superpower, what would you choose?
If I had to pick one, I think being able to speak every language in the world would be cool.

6. What was your favourite subject at school?
PDHPE was my favourite subject of course!

7. Dream holiday destination?
There are too many places to list!!

8. Pineapple on pizza, yes, or no?
Absolutely!

1. What's your name? and What's your role at THS?

Emma Marshall.

Learning and Support Teacher: I am responsible for providing tailored educational assistance to students with diverse learning needs, ensuring they have access to appropriate resources and support to succeed academically.

2. What's one fun fact about yourself?

I am from England so I speak with an accent you may laugh at.

3. What do you love so far about our school?

Everyone has been very welcoming and helpful, even Year 8!

4. What is the best advice you've ever been given?

Never eat yellow snow.

5. What's your 'go to' karaoke song?

Don't stop menow, by Queen

6. What was your favourite/least favourite subject at school?

I still love English and hate MATHS! I love to read and only learnt my times table when I was in my thirties.

7. Dream holiday destination?

Italy. Particularly Tuscany. Anywhere that eats a lot of pasta, pizza, cheese and wine sounds like heaven to me.

8. Pineapple on Pizza, Yes or No?

MEET THE TEACHER

1. What's your name? And what's your role at THS?

Larisa Seghers, PDHPE teacher

2. What's one fun fact about yourself?

I'd rather sleep in a tent in the great outdoors than go to a 5 star resort

3. What do you love so far about our school?

The awesome PDHPE staff

4. What is the best advice you've ever been given?

Don't worry or stress about things you can't control

5. What advice would you give to the students?

Grasp opportunities with both hands

6. What inspired you to become a teacher?

Gail Phillips was my amazing PDHPE teacher

7. If you had to pick a superpower, what would you choose?

To be able to pause time

8. What made you choose THS?

To be closer to family (and I was a student here last century)

9. What's your favourite 'go to' snack at school?

Salmon & rice

10. What was your favourite/least favourite subject at school?

Favourite – PDHPE; least favourite – English

11. Dream holiday destination?

Expedition cruise to Antarctica

12. Pineapple on pizza, yes, or no?

YES!

13. What's your hidden talent, if it's appropriate?

I'm a BBQ queen

14. What's your teaching philosophy in one sentence?

Giving students the opportunity to achieve outcomes they never thought possible – especially through the great outdoors.

**1. What's your name? And what's your role at THS?**

Amy Kelleher, English Teacher

2. What's one fun fact about yourself?

I studied Australian Sign Language (Auslan) a while back and try to utilise it in teaching when I can. I often unconsciously 'talk with my hands'.

3. What do you love so far about our school?

The welcoming environment of THS is second-to-none. Everyone is so incredibly helpful when you find yourself in a slight pickle.

4. What is the best advice would you give to the students?

Enjoy 'now', don't wish it away, and know that you can achieve anything you set your mind to. You are the only one who can determine your future.

5. What made you choose THS?

I completed my final university placement at THS and loved every moment of it.

6. What's your favourite 'go to' snack at school?

Salt 'n' Vinegar chips. They're perfect for any mood.

7. What's your 'go to' karaoke song?

"Be with you" by Mr Big

8. Pineapple on pizza, yes, or no?

Absolutely not!! I have even voiced my opinion on this in class already (we were discussing persuasive test). I think this may be one of the first things anyone learns about me.

Leadership in Action!

Taree High School is proud to celebrate our 2025 school leaders... Toby Allan, Samantha Hollis, Cameron Loshe and Elma Karizama. They've represented our school at the Halogen National Young Leaders Day in Sydney! 🏆❤️

These four outstanding young people spent their day being inspired by some of Australia's most influential speakers, connecting with student leaders from across the state, and reflecting on what it means to lead with purpose, courage and kindness.

We're incredibly proud of their passion, drive and the way they represented our school with pride.

Well done, legends!

<https://www.halogen.org.au/>

NAPLAN

Congratulations to each and every one of the students who sat the Year 7 and Year 9 NAPLAN tests! This is a significant achievement, and we want to take a moment to recognise the hard work, dedication, and effort you have shown in preparing for and completing these assessments.

NAPLAN is not just a test; it's an opportunity for you to demonstrate the skills and knowledge you've been developing in your time at school. Whether you feel you did well or encountered challenges along the way, the most important thing is that you've taken an active role in your learning and continued to push yourself.

We understand that testing can be stressful, but remember that NAPLAN results are just one part of your educational journey. The resilience, focus, and determination you've displayed throughout this process will serve you well in all areas of life.

We are incredibly proud of your efforts and how you have embraced this challenge. No matter the outcome, you should all be very proud of yourselves. Well done!

Keep up the great work, continue striving for excellence, and remember that this is just one milestone on the path to even greater success.

Mrs Farley. Head Teacher -Teaching and Learning

CAPA

On Tuesday 11th February, 17 elective Music students travelled to Port Macquarie's Glasshouse to experience BRAVISSIMO, a showcase of exemplary HSC Music performances from 2024. From Haydn, to Dizzy Gillespie, then Van Halen, all Music genres were presented along with instruments ranging from rock drumming to sensitive cello and explorative piano playing among others. Taree High School Music students were outstanding the entire day, even surviving a freak wild storm on the return bus trip back to school! The students have been inspired for their future musical endeavours. Thank you to the staff that covered Mr Bull and Ms Ralston for the day so we could make this invaluable trip.

On Wednesday 19th March, the Taree High School Singas and Fellas group consisting of Ms Ralston, Mr Bull and 12 students set off for Sydney to be a part of Pulse Alive. Pulse Alive is a performing arts event held at Ken Rosewall Arena in Sydney Olympic Park, consisting of a massed choir, principal choirs, vocalists, dance and drama ensembles and a showband. Thursday was a full day rehearsal at Netball Central as the Singas and Fellas joined with hundreds of other students to create the Pulse Alive massed choir. After rehearsals, performers prepared for the Thursday night performance as the seats in the arena began to fill and over 3000 students came together to perform. The massed choir sang in 17 songs during the concert and the Singas and Fellas had a great time singing together and meeting new people. Friday morning, the road trip home was filled with singalongs and talking about the memories that were made. Taree High is proud of their students that performed at such an impressive event and a huge thank you to Ms Ralston and Mr Bull for all the work they put in to give these students this amazing opportunity.

CAPA

Year 12 Visual Arts students are busy at work in the studio getting their major works under way. A true variety of mediums are being used for some very unique concepts.

Hi Everyone,

Mr Herps here, as a newbie to Taree High School, this is my first newsletter article having come across from Gloucester High to join the TAS crew here at THS for 2025. Thanks for making me feel welcome and I am enjoying the shorter commute. The newbie comment is not entirely true, as a teacher, yes, but in the 2010's I had three boys come through THS.

The biggest change in my morning commute is the number of cars I encounter – heading into Taree I see more cars in one morning than I did in a week (or two) travelling to Gloucester. I do love the new fuel bill.

In TAS I mostly have Mandatory Technology and Industrial Technology Timber as my load. For this newsletter I will cover the fun and games from our Year 7 RISE students. One of our projects follows the theme of Table Games, the other being a Name Plaque.

We started with a Tic Tac Toe game made from 12 and 19mm thick pine and 12mm diameter hardwood dowels. Students have been great and have worked away to see this through to completion. We have learnt to measure in millimetres, use a rule, and a square, and have completed safety tests on the disc sander and pedestal drill. We used these machine tools to drill holes and sand our jobs to length. I hope you enjoy the pictures

Mr Herps

CAREERS

Careers Education: A Promising Start to the Year

It's been an exciting and eventful start to the year for our students, with a range of incursions and excursions designed to inspire and inform. Here's a look at some of the highlights:

Year 12 Universities Roadshow

The year began with Year 12 students attending the Universities Roadshow, featuring four regional universities. The event covered essential topics like how to apply for university (including early entry options), understanding costs, accommodation choices, and what life as a student is really like.

Year 10 EduVenture Program

Later in the term, Year 10 students continued their EduVenture journey, building on the program they started in Year 8. This time, the Taree Universities Campus team partnered with representatives from the Australian National University to deliver a dynamic session. Students explored career immersion using VR goggles, learned how to navigate career pathways, and discovered how to identify their personal skills and strengths, which are essential in choosing the right career.

Health Careers Forum

Year 10 and 11 students had the opportunity to venture outside the school to attend the Health Careers Forum at the University of Newcastle's Taree campus. Here, they interacted with academics, clinicians, and current students, participating in hands-on workshops in various health fields such as medicine, nutrition, physiotherapy, nursing, pharmacy, and more.

Charles Sturt University Explore Day

Senior students also participated in the Charles Sturt University Explore Day, where they experienced university life firsthand. The day included campus tours, interactions with students and lecturers, and engaging in practical sessions covering subjects like Paramedicine, Nursing, Crime and Justice, and Teaching.

Seafood, Marine, and Maritime Careers Immersion

Students in Years 10–12 also explored exciting career opportunities in the seafood and marine industries at the Seafood, Marine, and Maritime Careers Immersion Day in Port Macquarie. Representatives from TAFE NSW, Maritime NSW, the Boating Safety Authority, and Marine Rescue shared valuable insights into education, training, and career pathways in these industries. To top off the day, students enjoyed a scenic lunch and river cruise with Port Adventure Cruises.

Looking Ahead

As we look to the next term, we are excited to welcome VET Ambassadors to the school to share how they have achieved success through vocational education and training. Additionally, senior students will attend the University of Newcastle Open Day and interested Year 10 students will take part in the Bunnings Teen Tradies program. We will also be launching a new Taree Careers website, accessible through the school's webpage. This interactive resource will provide students and caregivers with everything they need to know about careers, job searches, and study options.

It's shaping up to be another inspiring year for our students, with plenty of opportunities to explore their future careers!

Gayle Houlahan

Taree Careers Adviser

LIBRARY

Library News

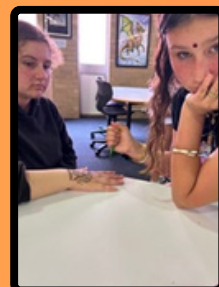

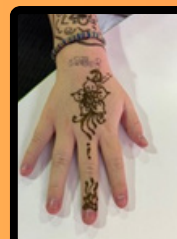

In February the library highlighted the genre of love with Romance week (in literature!) culminating with a Kahoot trivia quiz. Winners were Sienna Hawkins, Shiloh Williams, Eleanor Hunter Zappala, Ariaah Finnerty Taylor.

Manga Club was on again this term and new book titles were gladly borrowed and have been in high rotation since. We have a lively manga community at Taree High!

Harmony Week has given us a week to celebrate and experience other cultures. In the library we highlighted the Indian culture by playing Indian music and giving students henna hand tattoos - a decorative feature of Indian culture worn during celebrations. Thank you to Tegan Armour and Shakari Williams for being excellent tattooists!

TERM 1 SPORTS REPORTS

Open Boys Cricket

The Open Boys cricket team played on Thursday 20th March at Gloucester in the CHS Open Boys Cricket competition against Great Lakes College and Gloucester High School.

The first Match was against Gloucester. Winning the toss was a valuable start as there was a heavy dew and the ball quickly lost condition for the fielding team. This gave the Taree batters a good opportunity to turn over the runs and build a strong total for Gloucester to chase.

Zane Hopkins and Leo Allan were outstanding with the bat - Zane scoring 67 and Leo scoring 48. They then turned their hands to fielding and made the Gloucester batters work for every run. Eventually winning the match by some margin.

The second game was a quick turn around for the Taree High team who were to play Great Lakes College in the second round. Losing the toss the THS team was sent back into the field on what had become quite humid and difficult conditions. They rallied well as a bowling unit and were able to dismiss GLC for 120 runs.

The run chase was a steady one and many important contributions were made - with Blake Murray scoring 81 to help the team complete the run chase in the 16th over.

Well Done to all participants- it was a great day and really pleasing to see all students thoroughly enjoying themselves and representing Taree High School with distinctions.

Year 11 & 12 Fast5 Netball

On Friday, 21st March, our Year 11/12 students participated in the NSW Netball Schools Cup Mixed Fast5 Competition. Despite the hot and humid conditions, the team demonstrated outstanding effort, skill, and sportsmanship throughout the day.

The students played a total of five games, securing two impressive wins, drawing one game, and narrowly losing two others. Their teamwork, determination, and positive attitude were evident on and off the court, making the school proud.

A big congratulations to all the players for their excellent performance and commitment!

Open Boys Basketball

Congratulations to the Open Boys Basketball Team for making it through to the final 8 in the Hunter Region. The team consisting of Lachlan Adams, Toby Allan, Noah Alliston, Lincoln Chesser, Luke Croker, Connor Neal, Ryder Ramsay and Ben Robinson travelled to Newcastle for the Hunter Finals.

Their first game against Cardiff was a close match with Toby leading the scoring and Lachlan hitting the buzzer beating, game winning shot to go ahead 21-20. They won their second game against Swansea with Ben, Lachlan and Luke providing the bulk of the scoring to win 38-29.

In the final 8 game their Whitebridge High opponents proved too strong, going down 64-35.

Cross Country

On Tuesday 4th March we ran our annual competitors only Cross Country event. It was a hot and muggy day for the competitors to run in, but they all did their best to complete the course. Congratulations to all students on their Participation, Cooperation and Respect on the day.

Open Boys Soccer

Open Boys Soccer (Football) Manning Gala Day
Venue: Tuncurry Sports Complex (South Street)
Schools:

Taree High, Great Lakes College, Wingham High & Chatham High

On the Friday 21st February Taree High competed in a qualifying soccer gala day in Tuncurry. The rain held off for a very good day of soccer played in good spirits from all. Each team played 3 games each with 25 minute halves with around a ½ hour break between each match. Taree High put in their best efforts and improved a lot throughout the day, finishing with a great win in a penalty shootout over Chatham. Both teams had many opportunities and lots of saves (near misses) were made too.

Overall our Open Boys team finished 3rd in the Gala day (The top two teams qualified for the next stage).

Golden Boot: Ben Robinson

Golden Boot Runners Up: Toby Allan & Luke Croker

Team List:

Yr 12: Ben Robinson/ Ben Wallace/ Luke Croker/ Sam Wilkinson/ Lachlan Adams/ Thomas Kennewell/ Toby Allan

Yr 11: Fletcher Holt/ Leo Allan

Yr 10: Lincoln Chesser/ Ollie Royan/ Lachlan Keen/ Nicholas Kennewell/ Noah Alliston/ Zackary Randle

Great effort and thanks for putting in for THS!

Mr J. Kelly

(Teacher/Coach/Manager)

Athletics

On Friday the 28th of March THS held its annual Athletics Carnival. **START**
It was a challenging decision to make the call to go ahead with the carnival with the uncertainty of the weather and I am sure there were many questioning my choices but alas the weather gods were smiling on us and the show went on.

It was great to see so many students participating and enjoying the harmony day activities and there were many wonderful achievements from our students and impressive displays of athleticism.

Some notable performances were from:

The Staff Relay team - what a win..... well should have been a win if Mr Gollan wasn't so slow on the corner of the 3rd leg.

Millah Dennes - who broke the 100m record previously held by Nicola Searles in 2013 and 13yrs Javelin previously held by Georgia Murray.

Georgia Murray - Breaking the 14years Javelin record that was previously held by T. Knapp in 1967.

Well done to these girls

It was also a day of some very close calls in regards to breaking records.

3 students missed breaking records by less than .3 of a millisecond.

Kaleb Zamora and Codi Docksey, with both boys running times of 11.54 seconds. They were two of 5 students to break the 12sec 100m time. The best sprinting display seen for many years.

Sommer Abbott was also 0.35 Milliseconds off breaking the 17+ sprinting record.

There were many other notable performances throughout the day and I would like to encourage all participants who are eligible to attend Zone to please see Mr Gollan and Mr Abbott. It would be great to see you in attendance at the Zone Carnival.

I would also like to thank all staff for their support in helping the day run smoothly and the students for carrying out the schools Core Values and respecting each other, the community facilities and engaging in the harmony day activities.
